Dear Stella Community

2015 has been named by the United Nations as the International Year of Light, highlighting the role light-based technologies have in providing opportunity for global sustainable development.

2015 is also the Chinese Year of the Sheep - a symbol of peace, harmonious co-existence and tranquility.

For Stella Maris College, 2015 marks the Benedictine year of Stewardship. Stewardship asks us to ensure God’s creation and God’s creatures are cared for and nurtured. It fits in well with a focus on global awareness of our earth’s fragility, and bringing peace and tranquility to our lives.

The Rule of Saint Benedict reads that everyone’s needs are different and need to be balanced with the needs of the entire community but there are three things about Stewardship that are important:

- people come before things
- everyone needs some things to be happy
- what we have we must look after

As I welcomed each of the year groups last week, I emphasised one aspect of Stewardship with each of them. I spoke with Years 7 and 8 about the importance of relationships with others. I reminded Year 7 that they must try to develop networks of new friends to support them - because ‘people come first’. For Year 8, I reminded them to look after Year 7 as they know how challenging starting high school can be. For Year 9 and Year 10, I urged them to remember that being a Stella girl is about looking after each other and developing a strong connection to the College – because ‘everyone need some things to be happy’. For Years 11 and 12, I emphasised ‘what we have we must look after’ as the seniors are entrusted with our story and with the very fabric of the school community. Seniors set the tone, so if peace, harmony and tranquility are to be features of our school they need to foster it. So I encourage all our families to support the message to sustain the Stella community as we begin 2015 - Our Benedictine Year of Stewardship.

Congratulations

Earlier this week I had the pleasure of attending the NSW Combined Catholic Colleges Sports Association Blues Award where Nicole Saldern was awarded a Blue for Touch Football. The citation read that Nicole was voted CCC Touch Captain for 2014 and led the team with determination, team spirit and sportsmanship. I congratulate Nicole on her award.

Freshwater Community Bank has awarded 2014 Stella student, Taylor Mills, a $5000 scholarship as she starts her tertiary studies.

Alyssa Li from Year 11 has been awarded a Dee Why RSL Scholarship to assist with her senior studies.

Good Luck

Rebecca Chant from Year 8 has qualified for the National Open Water 5km swim race in Perth on Saturday 14 February and Ellie Douglas from Year 7 has been selected for Manly Warringah Sea Eagles in the Junior State Cup at Port Macquarie in late February. We wish both girls good luck as they prepare for these representative competitions.

Stewardship Blessing

Thank you to those Year 7 parents who were able to join us for the Welcome Dinner on Wednesday evening. It is at evenings such as this that we can truly appreciate the beautiful grounds of Stella Maris and the importance of good stewardship in our college.

May each of us be blessed with eyes that see, hands that safely hold, feet that gently tread and hearts that know that God surrounds us always.

Amen

Elizabeth Carnegie
Principal

**OPENING MASS INFORMATION**

**Mass at the Commencement of the Academic Year**

Each year, the whole College gathers together at St. Mary’s Cathedral to pray the Mass and to ask God’s blessing on all the students, teachers, the Board Members and the Sisters of the Good Samaritan as we begin another year of learning. The Mass will celebrate the Commencement of the Academic Year and the commissioning of Mrs Elizabeth Carnegie as College Principal.

The Mass will take place on Friday 13 February at St. Mary’s Cathedral. We are very lucky to have the Bishop of Broken Bay Most Reverend Peter A Comensoli to celebrate Mass for us. We will be joined by the Sisters of the Good Samaritan as well as special guests. Mass will begin at 10.15 am.

Students are to arrive at the College at the normal time. All students will go to their designated areas (as emailed to them) to meet with their Pastoral Care Teachers and PC Teachers at 8.45 am to have their names marked off on the attendance roll. On Friday the timetable will be adjusted with lunch at 12.20pm, Period 4 1.20pm and Period 5 as normal, so you only need to bring your books, laptop and other equipment for Periods 4 and 5. You will need to ensure that these are locked securely in your lockers in the morning. Please remember to use your locks to lock your lockers!

Once your name is marked off, you will be guided onto the buses which will take you to the Cathedral. Please ensure that you have your Recess in a small plastic bag which can be thrown away as you will not be allowed to bring any bags into the Cathedral. All mobile phones should also be left at home and not brought to the Cathedral.

When you arrive at the Cathedral, your Year Group will be allocated a space to have Recess. Please make sure that you leave the space without any litter by putting all your rubbish into the garbage bin liners that your teachers will have. Bottled water will be available if you require it. The Mass is scheduled for 1 hour. Please ensure that you go to the toilet before the Mass begins. You will not be allowed to go to the toilet during Mass out of respect for what is occurring.

It is essential that you follow the instructions of your PC Teachers and your Head of Year. They will guide you to where you are to sit. Once you are in the Cathedral please remain silent.

You should not be texting, or on social media while you are in the Cathedral. You should also not use iPods, or other mobile devices inside the Cathedral. If you are, they will be confiscated.

You will receive a Mass Booklet which contains all the responses, music, readings and when to sit, stand or kneel. Please follow along so that you know what to do and when to do it. Remember to say the responses audibly. These booklets should be taken with you and glued to your Religion Books for later reference.

Please ensure that your uniforms are washed, ironed and of the correct length, your shoes (proper school shoes – no ballet slippers) are polished and clean, you do not wear any inappropriate jewellery or make up.

All parents are most welcome to attend as it is a most inspiring commencement to our year.

**Rebecca Robin-True, Head of Religious Studies**
Year 11 and 12 Families
You are warmly invited to join the staff for a Year 11 Information Night commencing 6:30pm in the Star of the Sea Theatre followed by Years 11 & 12 Welcome Night commencing 7:15pm on the Deck in the College Courtyard to be held on Wednesday, 11 February 2015
Light refreshments will be served
This is a wonderful opportunity to socialise with teachers and parents of Year 11 and Year 12 students. We look forward to seeing you then!
Victoria Cleaver, Head of Year 11 and Colin Macallister, Head of Year 12

Teighan O’Shannassy
- Teighan has been selected in the U/17 NSW Netball Team to play Nationals in April, 2015
- Congratulations!

Alyssa Li
- Won the Dee Why RSL Scholarship.
- Alyssa received a formal award as the Dee Why RSL last week.
- Congratulations!

Welcome back to the Sister Colette Egan Information Centre (Library)

Computer Courtesy Guide
In 6th grade I had the privilege of being taught by Sister Marcien, a powerful if somewhat scary, little nun... I can still hear her booming voice instructing the class in the art of drawing the perfect margin. “Ladies - You must rule your ruler and do not let your ruler rule you.”

Yes I know, few people draw margins any longer. However, regarding your daughters most expensive school tool, the computer, Sister Marcien’s common sense rule still applies. Parents and teachers can instruct students regarding Computer Courtesy.

After reading the following Stella Maris College Guidelines, you may have some Computer Courtesy Guidelines you wish to put in place at your home.
- At the beginning of the lesson - Do not turn on your computer in class until instructed.
- Never have the computer open when the teacher is explaining something to the class.
- The computer is to be charged every night and ready for class.
- Only have tabs open that the teacher has instructed. The teacher can recognise if tabs are open.
- There is no down time in a teacher’s classroom. If you finish your work you should review, study or do enrichment work.
- **DO NOT share password to your computer with your fellow students**

Email Courtesy
- Address your contact with the appropriate level of formality and make sure you spelled their name correctly
- Make sure your email includes a courteous greeting and closing.
- Do not write in capitals – this means you are shouting
- Use full sentences and do not abbreviate, or use slang, when writing to teachers
- Spell check – emails with typing errors are simply not taken as seriously.

Jocelyn Christensen, Teacher Librarian
Ph 99761883
Stella Raffle

The Stella Raffle is back in 2015! Due to overwhelming demand, we have decided to run another $50 PER TICKET Raffle, only 200 tickets will be sold!

Prize: $7,000 towards your School Fees

How can you purchase your tickets?
2. Complete the raffle form below, make payment using cash or credit card, and return it to the Stella Maris Finance Office.

This raffle will help us raise some money for the school. Please note, once all the tickets are sold, the raffle drawing date will be published in the Newsletter. Best of luck!

Stella Maris P&F Committee

Stella School Fees Raffle 2015

Win one year of school fees to the value of $7000

The P&F are holding a raffle with the opportunity for you to win $7000 towards your daughter’s school fees.

Only 200 tickets available!* $50 each

First in, first served so be quick! Limited opportunity to participate. These are very good odds!

Complete the order form below with the number of tickets that you would like to purchase* and take the payment slip to the Finance Office (open Monday-Friday 8am-4pm). Payments can be made by cash or credit card.

* Limit of 10 tickets per family. Please note that if not all 200 tickets are sold then a full refund will be given for tickets purchased.

Reflecting on Benedictine Spirituality

How often do you long for some time and space in your life, to think or dream, read or write, reflect on your life or just look around you, or to meditate or pray?

Six reflection mornings, incorporating silent meditation as well as the opportunity to share thoughts in a group, are planned for 2015, at the Grail Centre*, 22 McHatton St, North Sydney, on Tuesdays from 10am to 12 noon:

- 17 February: Prayer and contemplation
- 21 April: Obedience
- 2 June: Stability
- 28 July: Humility and conversion of heart
- 22 September: Community and hospitality
- 17 November: Harmony, wholeness, balance

A donation to cover the cost of refreshments and the use of the facility would be appreciated.

The house is well served by public transport (bus and train) and 2 hour parking is available in McHatton St from 9.30am. There is also a parking station in nearby Ridge St.

For more information or to register your interest, please contact Tricia Gemmell (9436 3447 or pgemmell@tpg.com.au) or ruthcrowe@ozemail.com.au or the Grail Centre (9955 3053)

* The Grail is an international movement of women, grounded in the Christian faith and challenged by the radical call of the gospel.
**EXTRA CURRICULAR OPPORTUNITIES IN ENGLISH**

**READ FOR YOUR HOUSE**

All students in Years 7-10 will be borrowing extra novels to read through the year as a part of their Area of Study. All students are encouraged to enter the READ FOR YOUR HOUSE Competition by logging onto moodle and recording all the extra novels read throughout the year. Each novel you read and log will attract one point for your House.

Last year Bashir won the overall House trophy, so congratulations to all the girls in Bashir who entered Read For Your House in 2014 and gained valuable points towards coming first!

See Mrs Christensen in the Library or speak to your English teacher if you have any questions about this competition.

**WRITERS’ GROUP**

Writers’ Group will run on Mondays at lunchtime in Room C21 for students who want to work in a workshop scenario, or online for students who prefer to work on their writing skills at home. All students in Years 7 – 12 are invited to join to work on extra writing activities, enter competitions and work on imaginative writing exercises each week. All students are welcome to come along as they wish on Mondays at lunch, or speak to their English teacher to find out more information. Mrs Tedman and Ms Meta Regis will be running the group.

If you have any questions or would like to enrol now online please email alison_tedman@stellamaris.nsw.edu.au or meta_regis@stellamaris.nsw.edu.au.

**DEBATING**

All students in Years 7 – 12 are invited to consider joining the Debating team. Inter school Debating competitions run seasonally on Friday nights and also involve one workshop in school hours each week. You don’t have to participate every Friday night, but you do need to be a keen public speaker and have an interest in social issues and current affairs. It is also a great way to meet new friends from other schools.

Ms Riley is running Debating this year with Mr Symons assisting so please email either anna_riley@stellamaris.nsw.edu.au or will_symons@stellamaris.nsw.edu.au for more information.

**AND LATER ON IN TERM 2…**

The annual **Public Speaking For Leadership Workshop** will run towards the end of term 2 with Ms Collins and Ms O’Brien and **Write A Book In A Day** will run in the library with Mrs Christensen and Mrs Cleaver. These activities are also great for students who want to develop their public speaking or writing skills. More details will follow later in the year.

I encourage all girls to consider all these options as wonderful ways to develop and extend your skills and also participate in the Stella Maris community. Its great to be involved!

Mrs Alison Tedman, Head of English
Dear Parent,

We are using Pearson and Campion eBooks in various Years and subjects in 2015. This section will provide some assistance with these books.

Pearson eBooks include; Science, History

Campion eBooks include: Religion, Maths  (these are published by Cambridge)

Both of the apps mentioned below will be in the following location on a Macbook.

Finder – Application (search the list)

You can drag each app onto the dock at the bottom so they are always there.

Pearson eBooks

Pearson uses an eReader software to allow the students to access the book offline. Students with Macs can download the eReader from the self-service portal.

Students with Windows laptops can download the eReader from http://www.pearsonplaces.com.au

The student logs in with the username / password they created when they purchased the books.

1. Once the eReader has been installed.
2. Click ‘Check for New eBooks’
3. Enter your username and password
4. The eBooks will appear for offline use

Campion eBooks

Campion uses the MyConnectApp. This is also available on the Self Service for Mac users.

The students need to know the email address / password they created when they setup access.

1. Once the MyConnect App is installed;
2. Open the myConnect
3. Enter the username / password
4. Click the sync button
5. The textbooks will appear

Guides for both Pearson & Campion are on the Portal on the BYOD Instructions page. There is also a useful video on how to use Campion eBooks that is essential for students using Campion eBooks.

If a student is having trouble accessing a specific Campion ebook, they need to email support@myconnect.campion.com.au

If you have any other queries, please see the teacher or the IT Department.

Chris Maker
IT Manager

Bill Gates Reveals What Makes Him Feel 'Pretty Stupid'

Jan 28, 2015, 2:42 PM ET
By ALYSSA NEWCOMB
Digital Reporter

Microsoft founder Bill Gates arrives at the European Commission headquarters in Brussels, Jan. 22, 2015. AP Photo

Bill Gates is part of the world’s elite brain trust but there’s still one thing that makes the Microsoft founder feel "stupid."

During a Reddit "Ask Me Anything" session today, the global philanthropist said his one big regret in life has been not learning a foreign language.

"I feel pretty stupid that I don't know any foreign languages," Gates said. "I took Latin and Greek in high school and got A's and I guess it helps my vocabulary but I wish I knew French or Arabic or Chinese."

Gates said he hopes to follow the example of fellow tech titan Mark Zuckerberg, CEO of Facebook, in learning a second language.

"I keep hoping to get time to study one of these -- probably French because it is the easiest," Gates said. "I did Duolingo for a while but didn't keep it up. Mark Zuckerberg amazingly learned Mandarin and did a Q&A with Chinese students -- incredible."

SPORTS

NSW CCC BLUES AWARD

Congratulations to Nicole Saldern who was presented with her NSW Combined Catholic Colleges Blues Award on Monday night. This is a very prestigious award that is given only to the top 2 students in NSW in each sport. Well done Nicole. We are very proud of you!

WATER POLO STARS

Congratulations to the Stella girls who played at the NSW U16 state club championships last weekend. It was a very high level of competition. Well done to Daisy Nankervis and Lexie Woolley who were in the winning SNB A team. Daisy Nankervis was actually awarded player of the match in the grand final! Lexie Woolley was named in the tournament six. Also playing at the championships in the SNB Breakers B team were Phoebe Coram, Maya Williams, Zoe Grout and Hayley Sparkes. Kaitlyn McDonald represent Ryde. Well done to all of these girls.

YEAR 7 WATER POLO COMPETITION

The year 7 competition commences this Friday night. All students have been emailed the draw. Players are reminded to check emails for any changes to game times.

TRIATHLON

A reminder that all triathlon notes need to be returned to school by Wednesday 11th February. All students have been emailed with details of the NSW All Schools triathlon that will be held on the 26th and 27th Feb. Individual entrants are reminded that they will need to go the NSWCCC website to enter online.

BBSSSA TOUCH FOOTBALL

Congratulations to the girls that have been selected to represent Stella at the BBSSSA Touch Football Championships on February 16th. A reminder that training is on Thursday 12th February at 7.30am at Keirle Park.

BASKETBALL

The Manly Warringah Basketball competition will commence next week. All students have been notified of their teams and training times. Students are reminded to check emails for details of draw and game times.

Jenny Wickham, Head of Sports

Jessica Maker, Head of Performing Arts

2015 ebooks

All students in Years 7-10 this year will be operating from the new Australian Curriculum. The NSW curriculum developed by BOSTES divides the Science content and skills outcomes into stages rather than years. Years 7 - 8 are Stage 4, Years 9 - 10 are Stage 5.

This means that a student in Year 7 may need information that comes from a Year 7 textbook for some topics and information from a Year 8 textbook for other topics. The same applies to a Year 8 student needing both the Year 7 and 8 Science textbooks. Year 9 and 10 students need both the Year 9 and 10 textbooks.

To make this more affordable, we have chosen ebooks. They appear on the Campion booklist at $29.95 each and you have two years access to these digital books. Even though you are purchasing two, the combined cost equals the price of a traditional textbook.

Students in Year 7 and 9 in 2015 will get the two years of use out of the ebooks. Students in Years 8 and 10 in 2015 will only use them for one year as Year 8 moves into Year 9 in 2016 (Stage 5) and Year 10 students choose different subjects for Year 11 in 2016. As of 2016, you only need to purchase Science ebooks in Years 7 and 9.

The booklist with relevant digital support are available on the Campion website http://www.campion.com.au/

We anticipate that all students in Years 7 – 10 will have their ebooks downloaded onto their devices and ready to use them as educational tools soon. Thank you for you cooperation.

Kate Slik, Head of Science
PARKING RESTRICTIONS
Please note parking time limitations:
- 2 hours around the school
- 5 hours (9.30-2.30) in the bus zone
- 4 hours at Keirle Park
- Unrestricted (Warringah Council):
  - Over the bridge, off Pittwater Rd behind Queenscliff Health Centre
  - Up the steps near Queenscliff Beach near SPLAT coffee shop

SAFETY NOTICE
For students safety, the Canteen will only provide boiling water for noodles to students who either buy the Fantastic Noodles from the Canteen or bring from home the 70g ‘Fantastic Noodles’ or ‘Simplee’ (available from ALDI). These containers are more sturdy than others, can withstand the boiling water and are not too flimsy to hold.

MY STUDENT ACCOUNT
- Students are not to lend their card to other students. The card owner must be in attendance if students want to buy for others.
- Each student should have only ONE card. Old cards will not be served.
- Replacement cards cost $5. Defaced cards will need to be replaced.
- Please check your daughter’s My Student Account to ensure she has sufficient funds to purchase items.

HEALTHY OPTIONS CAMPAIGN
Students receive points on their My Student Account for purchasing healthier foods, e.g. water, salad rolls and any roll on multigrain/wholemeal. Prizes are awarded at the end of the year for one girl in each year group (the Year 12 prize is one formal ticket paid for) so think about what you’d like to order and get those points accumulating.

Bernie McGrath & Cheryl Young, Canteen Supervisors

SWIMMING CARNIVAL
The Stella Maris Swim Carnival is on Wednesday 4 March. Colour House Swim Caps are available form the Uniform Shop for $3.

2015 STATIONERY LISTS
The girls were emailed stationery requirements for 2015 last term. All stationery items can be purchased from the Uniform Shop. All stationery requirements should be purchased by Week 3 of Term 1. These texts books are available from the Uniform Shop Year 8 Chinese $10, Year 10 Spanish $13, Years 9 & 10 PASS $36 and Year 11 PDHPE $70.

UNIFORM SHOP
Hours (During Terms): 8:00am-4:30pm on Tuesdays, Wednesdays and Thursdays

Pay by: Cash, Visa, Mastercard, American Express, EFTPOS, cheque (made out to ‘Stella Maris College’) and Student Card.

Check the College website for:
- Uniform Regulations
- Second Hand Uniform Policy
- College Shoe Policy
- Uniform & Stationery Price Lists

SECONDHAND UNIFORMS
Due to changes in the uniform we are now only accepting limited items Please email us prior to bringing items in to check if we are accepting them.

EXCITING OPPORTUNITY…
Historical and Cultural Tour of China (2015)

Dear Students (and Parents)

It is with great excitement that we announce our plans for an 11 day historical and cultural tour of China in 2015!

**Dates:**
10 October – 21 October 2015
(Please note that this is early in Term 4 and you will miss 1 ½ weeks of school)

**Group Size:** 16 students

**Eligibility:**
1) You must be in Year 9/10/11 in 2015 (Chinese International Students are not eligible)
2) You need to be studying relevant subjects (e.g. Language, History, Geography or Visual Art)
3) You need to be able demonstrate that you are well-behaved, reliable, good natured, compassionate and that you would be a good ambassador for Stella Maris.

**Experiences:** You will get an opportunity to experience Chinese culture and enjoy all the beauty that China has to offer, including:
- **Beijing** - Tiananmen Square and the Forbidden City, Hutong and lunch with a local family, the Great Wall of China, the Olympic Bird’s Nest Stadium and Aquatic Centre, the Temple of Heaven and the Summer Palace.
- **Tian Mu Lake** – Experience natural warm springs, the Hill Peninsula, Zhuangyuan Pavilion, China Ape Hall and the No. 1 Pot.
- **Suzhou (the “Venice” of the East)** – the Humble Administrator’s Garden and a famous Silk factory
- **Tongli** – cruise the zigzag waterways of this historic town
- **Shanghai** – Happy Valley Theme Park, visit a local High School, Ming Dynasty Yu Yuan Gardens, Pudong, Nanjing Road and Taobao market (for some shopping), and Shanghai Maglev (fastest train in the world)
- **Cultural Entertainment** – Legend of Kung Fu Show and Shanghai Acrobatics Show

**Inclusions:**
- 4 Star hotels throughout
- All Meals B/L/D including Chinese Tea or a glass of soft drink
- Air-conditioned coaches
- English speaking guide
- Entrance Fees
- International and domestic flights (Qantas economy)
- Train Tickets
- China VISA ($98.50 per person)
- Tipping of tour guides, drivers and porters ($70 per person)
- Airport taxes and fuel charges ($464.00 per person – may be subject to change)

**Exclusions:**
- Comprehensive Travel Insurance (required)
- Personal Expenses (snacks, shopping etc.)

**Cost:** $3700 (based on min. 16 students – twin share)

**Payment:** If you are selected the following payment schedule will apply:

1) 24 February 2015 $500.00 (Deposit – non-refundable)
2) 20 March 2015 $1000.00
3) 3 August 2015 $2200.00

Payments must be made on time to secure the quoted price, as late payments will incur fees for ALL participants.

If you are interested you will need to see Mrs Jo for an "Expression of Interest" Application Form. This should be returned by **10 February 2015**. Selections will be made after this date.

**Questions can be directed to:** Mrs Susan Jo susan_jo@stellamaris.nsw.edu.au or (02) 9977 5144

Kind regards
Stella Maris College
To cater for the needs of the individual the STELLA MARIS will offer the WINGS program, a multi-faceted program that offers flexible, creative and unique learning approaches for a diverse range of talented academic students. Opportunities for academic extension and enrichment are provided by assisting students to develop the skills associated with the pursuit of knowledge and skills and by allowing students to seek further challenges outside those already provided within the classroom.

The Gifted and Talented Program, known as WINGS, will provide students with the opportunity to become independent learners who are able to pursue areas of academic passion both enthusiastically and critically.

Meetings are currently being held with identified students to participate in the WINGS program. Opportunities will also exist for other students to enter or participate in selected events or competitions in their area of interest. The Year 7 WINGS meeting will be held at lunchtime on Tuesday February 10.

The Australian Brain Bee Challenge (ABBC) 2015

The ABBC is Australia’s only neuroscience competition for high school students. It is a competition that teaches students about the brain and how it functions and dispels misconceptions about neurological and mental illness. It tests the neuroscience knowledge of students on topics such as intelligence, memory, emotions, movement, stress, ageing, sleep, addiction, Alzheimer’s and stroke. The competition is open to Yr 10 students and will be held to coincide with Brain Awareness week from March 16-20.

**TERM 1 EVENTS**

ScienceIQ is an online science quiz for school teams of four students. Teams have one hour to complete 12 science problems. To win, students will need to finish in the shortest time with the most questions correct.

ASX SHAREMARKET GAME 1 –
March 12- May 20 2015

Attention, ASPIRING financial experts/stockbrokers or any student wanting to learn about the sharemarket. The game is open to ALL students in Years 7-12 and is an opportunity for students to develop knowledge of the sharemarket through interactive, online participation. It is as close to real life share trading as you can get. Currently, the sharemarket is at its highest point since the GFC, so potentially this could be a time to profit.

Each Syndicate has a hypothetical $50 000 to trade, based on the ASX, at current market prices. Cash prizes will be awarded to the winning teams and schools.

The girls will learn how world economies influence the sharemarket and how trading conditions change dramatically each day. Students will research companies looking for the elusive dividend that may just increase their total portfolio.

By competing students will

1. Develop knowledge of the sharemarket
2. Learn how to research companies
3. Discover the importance of wise investment decisions
4. Begin to learn more about investing for the future
5. Students will work in syndicates of 2 -4 players.

Some lunchtime meetings will be held to familiarise students with the stockmarket and the rules of the game.

Please do not hesitate to contact me at the College for further information or to enter any of the events.

Ms Longworth, Gifted & Talented Coordinator
ruth.longworth@stellamaris.nsw.edu.au
One Annual Invoice will be issued at the commencement of Term 1. School fees may be paid by one of the following options:

**INSTALMENT OPTIONS:**

<table>
<thead>
<tr>
<th>INSTALMENTS</th>
<th>Estimate Only - includes Core Fees</th>
<th>Estimate CORE FEES Only</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Please add Item &amp; Subject Fees</td>

<td>5%</td>
<td>$9,880 $9,880 $9,880 $9,880 $9,635 $9,686</td>
</tr>
</tbody>
</table>

Note:

- Monthly instalments may only be paid by Credit Card or Direct Debit using a Direct Debit Request (DDR) Authority Form – 10 equal instalments on the 15th of the month commencing February to November each year.
- Quarterly instalments can be paid by Credit Card or Direct Debit using a Direct Debit Request (DDR) – 4 equal instalments on the 15th of the month in February, May, August and November.
- Non DDR quarterly payments are to be made before the commencement of each term. Term 1 is to be paid within 14 days of annual invoice date.

**PAYMENT IN FULL OF ANNUAL INVOICE OPTION:**

<table>
<thead>
<tr>
<th>Core Fees</th>
<th>ADD Item and Subject Fees</th>

</tr>
<tr>
<td>$9,635</td>
<td>$9,686</td>
<td></td>
</tr>
</tbody>
</table>

NB: Payments in full may be made by PAYWAY, EFT, Cash or cheque. Payment must be received within 14 days of invoice date to receive discount.

**BILLING SYSTEM:**
The College provides a tax invoice at the commencement of Term 1 for the full year’s fees. The invoiced amount, as well as any additional fees through the year will be shown on a statement of account and payments are, when received, likewise shown on the same statement. Statements will be issued quarterly or on request. A running balance is shown on the statement.

**PERFORMING ARTS FEES:**
Performing arts fees will be billed at the end of February once music choices have been made. These fees will be added to your chosen instalment option in equal amounts from 15th March to 15th November, unless paid in full prior to 15th March.

**HOLDING PAYMENTS AND DECLINED PAYMENTS:**
Payments may be put on hold for a maximum of one month if requested in writing and approved under special circumstances only. Any missed payments (requested, or declined auto payments), must be made up by increasing all future instalments or continuing the agreed instalments through December and January. Any balance remaining at 15th January must be paid in full by 31st January.

**NOTICE OF WITHDRAWAL:**
Should the student leave the College, one full term’s notice of this intention is to be provided in writing to the school, and in the absence of this notice, one full term’s fees will be billed in lieu of such notice.

SMC 2015 School Fees 29/10/2014
Nationally Consistent Collection of Data
School Students with Disability

Information for Parents/Carers

Schools across Australia are taking part in a new national data collection on school students with disability.

The data collection is being introduced in stages over three years, and started in 2013. From 2015, this information will be collected in every school across Australia, every year.

All Australian governments have agreed to this.

WHAT IS THE BENEFIT FOR MY CHILD?

All Australian governments agree that every child in an Australian school should have a high quality education. It shouldn’t matter what the individual child’s circumstances are – every child should have the same opportunity to succeed at school.

The aim of this new data collection is to have better information about school students with disability in Australia.

Better information about school students with disability will help teachers, principals and education authorities to support students with disability to take part in school on the same basis as students without disability.

WHY IS THIS DATA BEING COLLECTED?

There is nothing new about schools collecting information about students with disability – in fact, schools have had to do this by law for some time. But the type of information currently collected varies between each state and territory.

With the new data collection, every school in Australia will use the same method to collect this information – that is, a government school in suburban Sydney will collect and report data in the same way as a Catholic school in country Victoria and an independent school in the Northern Territory.

The information provided through this new national data collection will enable all Australian governments to better target support and resources to benefit students with disability. It will help to put the right supports in place for students with disability so that they have the same opportunities for a high quality education as students without a disability.

WHAT ARE SCHOOLS REQUIRED TO DO?

Every school in Australia is likely to have a student with disability at some point. Schools need to be able to support students with disability by removing any obstacles for them to participate in their education.

By law, schools are required to make reasonable adjustments where needed to assist students with disability. These responsibilities are outlined in the Disability Discrimination Act 1992 and the Disability Standards for Education 2005. This means that schools need to talk to the student and/or their parent/carer about reasonable adjustments. These are things the schools do now and this won’t change.

The new data collection will record students who have been identified by a school team as meeting the definition of disability under the Disability Discrimination Act 1992 and provided with an adjustment.

WHAT IS AN ADJUSTMENT?

An adjustment is a measure or action taken to help a student with disability participate in education on the same basis as other students. Adjustments can be made across the whole school setting (like ramps into classrooms), in the classroom and at an individual student level (like extra tuition for a student with a learning difficulty).
WHAT INFORMATION WILL BE COLLECTED?

Your child’s school will collect and report information every year about:

- the level of adjustment provided
- the number of students who receive each level of adjustment
- where known, the student’s broad type of disability.

Some students who are not provided with an adjustment at the time of the collection will meet the definition of disability under the Disability Discrimination Act 1992 and will be eligible to be included in the data collection.

WHO WILL COLLECT MY CHILD’S INFORMATION?

Teachers and other school staff from your child’s school will collect the above information based on:

- consultation with parents/carers
- the school team’s observations and professional judgements
- any medical diagnosis
- other relevant information.

School principals are responsible for making sure that the information collected about each student is accurate.

HOW WILL MY CHILD’S PRIVACY BE PROTECTED?

Protecting the privacy and confidentiality of all children and their families is very important. With the new data collection, this will be done in the following ways:

- Personal or confidential information will not be given to anyone not authorised to see it.
- When the information is sent by your child’s school to the local or federal education authority for combination with information from other schools, it will be by school only – student names will not be recorded as part of the data collection.
- When the information is reported from 2016 onwards, it will be by school only – student names will not be recorded as part of the data collection.

WHEN AND WHERE WILL THE DATA BE AVAILABLE?

When all Australian schools are taking part in the new data collection, the information will be reported on the My School website from 2016 onwards. It will by school only – no student names are recorded as part of the data collection.

CAN I DECIDE WHETHER MY CHILD’S INFORMATION IS INCLUDED IN THE NATIONAL DATA COLLECTION?

It’s your decision about whether you want your child’s information to be included in the national reporting or not.

Including every school child who is being provided with an adjustment because of disability in this new national data collection each year will help schools, education authorities and governments to better meet students’ needs.

Your school will tell you what you need to do if you don’t want to have your child’s information included in the national data collection.

Even if your child’s information is not included in the national data collection, your school is still required to provide support to your child with disability and any adjustments that may be needed to help him/her participate at school.

FURTHER INFORMATION

Contact your child’s school if you have further questions about the Nationally Consistent Collection of Data on School Students with Disability and how it may affect your child.

You can also visit www.education.gov.au/nationally-consistent-collection-data-school-students-disability
COMMUNITY

PRESENTED BY BE CENTRE

Tuning in to Kids
Tuning in to Teens

5 WEEK PARENTING COURSES – LIMITED PLACES

These two evidence-based programs are run by trained, experienced health professionals and aim to help you build trust, remain close and improve communication with your children and teens.

In these courses you will learn the core skills of:
• understanding and managing your own emotions
• improving communication with your child or teen
• better understanding your child or teen
• helping your child or teens learn to manage their emotions
• helping prevent behavioural problems in your child or teen
• teaching your child or teen to deal with conflict.

TUNING IN TO KIDS
Children communicate in a variety of different ways. In this course you will learn the core skills and how to use these to understand your child and improve communication and relationships within the family. These factors are important in enhancing children’s social skills and resilience.

TUNING IN TO TEENS
After infancy the brain’s most dramatic growth occurs in adolescence. In this course you will learn the core skills and how to use these to help your teens negotiate this challenging time. These skills will help you reduce conflict in your family so your teen is more likely to talk to you about the challenges they face. These factors have been found to reduce the risk of teen mental health and substance abuse problems.

These courses will help you support the development of your child or teen’s emotional intelligence so they can:
• have greater success in making friends and managing conflict
• concentrate better at school
• calm themselves when upset or angry
• manage change and challenges better
• be more aware, assertive and strong when facing peer pressure
• have more stable and satisfying relationships as adults.
