Dear Stella Community

Why Choose Stella?

I had the great privilege of speaking with families of girls in Years 4, 5 and 6 at our Open Evening this week. I spoke about the balance that is foundational in Benedictine communities and shared with them the belief that our College values of stewardship, hospitality, community, justice and peace are the lens through which Stella girls see the world. The Open Evening was also an opportunity for families to tour the school with a student and hear from student speakers in the Star of the Sea Theatre. Thanks to Emma Dinneen, Ashley Bekker, Kirra Bullman, Matilda Gould, Heidi Schmatloch and Olivia Learmont who spoke warmly about why they value being a Stella Girl.

I would like to share with you some of the insights about why girls love their school:

The move from primary school to high school can be quite scary. For a start you no longer have one teacher and one classroom but you have many teachers and your classroom can be all over the school or even in the new campus up the road! But the teachers and older students at Stella are all very happy to help you and give directions. Every morning we have PC (Pastoral Care), it’s a great way to check in and cover any issues you may have or and what is happening at school.

Stella has so much to offer and my advice is to make the most of it. There are lots of subject choices and learning can really be fun and innovative. Last year in science we learnt about the rock cycle. To help explain the way this worked we used ingredients such as marshmallows, gummy bears, chocolate, Smarties and coconut. By the end of the lesson we not only understood the rock cycle, but once we had mixed the ingredients we discovered that we had made rocky road! Heidi.

When I think back to when I first stepped foot into Stella as a brand new Year 7 student last year I had mixed emotions. I was really excited about starting high school but I was nervous and overwhelmed at the same time. There were so many unknowns and it was such a big change from Primary School. Well I am happy to tell you all, that my first year at Stella has been amazing, inspiring and so much more than I could have ever hoped for. All the teachers and students made me feel so welcome. Everyone was very inclusive and I quickly made new friends and felt a sense of belonging. Stella Maris offers a caring and supportive environment, one where I feel I am valued and able to reach my full potential.

Stella Maris sets off such a warm and caring feeling to all. This makes me feel involved and welcome. This makes coming to school enjoyable. Every morning I am excited to come to school and see what opportunities are going to come my way. My time at Stella has been so uplifting and fun, and I am looking forward to all my future years at Stella Maris College. I am very proud to call myself a Stella Girl. Kirra.

Something that is a part of the Stella community that I find really good are the Benedictine values. Each year Stella celebrates one of four values: hospitality, Peace & Justice, Stewardship and Community. I think that these are a talent that each girl in the school shows throughout daily school life. Stella has inspired me to behave with these four values in mind everywhere, every day. In Year 7, I was part of the Dance Ensemble, Drama Ensemble and in the School Tennis Team. Being in these activities have brought me to closer to other girls in my year and also older girls and teachers. There are many opportunities at Stella. Some of which I have participated in and some which I regret not participating in. So my advice would be to take any opportunities offered to you, even if they are not your strengths or if you have never done it before, because I guarantee you all teachers and students will accept that and still include you in everything. Emma

Congratulations

Congratulations to those involved with this week’s Vocal Evening. Students from across the school performed solo or in groups, accompanied by the Music Department staff. Thanks to Mrs Maker, the Performing Arts staff and Madeleine Spencer for hosting the evening.

Congratulations to Sara Wymer who, in her role as a Girl Guide, will represent the northern beaches as one of 100 Girl Guides in the march to the Australian War Memorial for the Anzac Centenary. The Prime Minister, Mr Abbott has given Sara an Australian flag to carry with her in the ceremony.

Prayer

We keep in our prayers at this time our Year 12 students who are about to sit their Mid-Course Examinations. We hope that all the work they have done with their teachers in preparation will bear fruit. The feedback will certainly assist them to set goals for the rest of this year. Thank you to the parents and families of our Year 12 girls who continue to assist them to develop successful strategies to manage their time and build good study habits.

We focus during Lent on our relationships, using our gifts to support others.

Creator God,
Your will is that all should be saved and no one should be lost to you.
You draw us to you in Lent through prayer and penance.
Grant that we may follow Christ in love with our lives focused on helping others in all we do.
We make this prayer in your name.
Amen

Elizabeth Carnegie, Principal
STUDENT DROP-OFF AND PICK-UP

The safest and most appropriate way for your daughter to get to school is to walk or catch a bus. The College does not have a drop off zone for students who are driven to school. I know it is tempting to pull into a driveway for the few moments it takes to let your daughter get out, but it is not safe for the girls who then cross randomly from wherever you drop them, and it is not courteous to our neighbours.

The Rangers have been asked to patrol and to book any drivers who double park, or stop near corners or crossings.

If you must drive your daughter the best drop off area is one of the car parks on Pittwater Road near the end of Eurobin Avenue. You can pull into either the car park adjacent to Keirle Park if heading towards Brookvale or the one adjacent to the Lagoon reserve if heading towards Manly, your daughter can get out of the car safely, cross at the crossing and walk up Eurobin Avenue to the College.

Thanks for your cooperation in this matter.

SICKNESS AT SCHOOL

In the unlikely event that your daughter gets sick while at school she must report to Student Reception. She will be assessed and if necessary you will be contacted to collect her and take her home. A sick student cannot be sent home by public transport and certainly students in Years 7 – 10 cannot go home alone. If your work situation will not allow you to leave then you need a “Plan B” for collecting a sick child.

Please do not respond directly to a phone call from your daughter. If she rings to say that she is sick, ask her to go to Student Reception. When you arrive to pick her up please come into the College to collect her. If you are unable to park, make a phone call and your daughter will be walked out to meet you.

Mary Ryland, Deputy Principal
ENSURE YOUR CONTACT DETAILS ARE UPDATED

For many reasons, it is essential that the School has up to date contact details for all families.

Students in Years 10/11/12

All student contact details and subject data have been recently uploaded to the Board of Studies website. This is necessary for the Record of Student Achievement (ROSA) and the Higher School Certificate (HSC). The Board of Studies will send Certificates to the address given, so it is imperative that this information is accurate.

Students in Years 7 - 12 Student Learning Conferences

The Parent–Teacher Online system automatically generates email messages to provide you with login details for their site. Without the login, you will not be able to make interviews with your daughter’s teachers. These emails will be sent out in the next few weeks, so again, it is essential that your email address is up to date.

The emails will be sent to BOTH Parents/Guardians (Carer 1 and Carer 2) who are listed in our Administration System. Please only book ONE set of interviews unless your family specifically requires a separate set of interviews for a second parent/guardian.

If you have changed your address, phone numbers or email address recently (or even last year) and have not informed the School Registrar kerrie_dudley@stellamaris.nsw.edu.au, please do so immediately.

Jennifer Molloy, Director of Administration

On 17 March, Stella Maris donned their green attire and baked lime-based cakes to celebrate St Patrick’s Day.

We also had the pleasure of having Christina O’Connor from Year 8, a national champion, perform an Irish Jig.

The day was not only a celebration of our Irish Catholic heritage, but also in honour of our sister school, Mater Dei. We utilised the opportunity to fundraise and the girls did an incredible job! From the generous donations of the Stella community, we have raised over $3000 that will help the work of Mater Dei in providing quality education for students who have additional needs.

Thank you for all your hard work and support – Go Stella!

These poems were written by Year 11 ESL students, many whom have only been studying in Australia for 6 months. Here are their reflections on Australia.

Ocean
by Rosalie Alliston

You give us an amazing panorama for us
You make these eyes so relaxed
Waves are dancing like happy children
Sand so soft like a pillow.
Makes me want to live forever in this piece of heaven.

Swish ... the wind caresses my face so slowly it’s like the wind loves me
The colour of your ocean,
the colour of the sand is a perfect mix of what I love.
Sun emits light that rebounds on the ocean
making it shine bright like a diamond

Fly Away (A poem about exam season)
By Elaine Huang

The special days are coming
Listen, ‘rustling’, the flowers are crying
It’s like the students’ sorrow in the building.

The environment is light.
Look, the purple covers the sky.
All jacarandas fly away like kites.
With the sounds, then close your eyes.
Just believe in your heart.

Everything will be fine.
The happy ending is approaching by your endeavor.
The Autumn’s step is drawing near,
softly telling you it’s almost over.
Fly away, like jacarandas.
Free your heart to prove your glory.

Sunset Out the Window
By Vicky Yu

The sun has set
I saw it again through the window,
Same as the sunrise
But warm and Gold

Sunset is like an elf
painting the sky canvas
with different colours
warm or cold
Sunset is like a dessert
Cotton candy
With pink lemonade

Time seems to stop
Sunset makes you feel warm
But lonely as well.
Go home.
Darkness is coming ...

An Unexpected Robbery
By Angel Zhuang

A young seagull
Is walking on the golden beach like a gentleman

The sea is blinking and the wind is breezing
He enjoys everyday near the sea

After a while, the seagull stops walking
And stares at a sweet couple

Suddenly, the seagull spreads his wings
Rushes at the couple like a rocket,
“Ahhhhhhh!”

He robs their fish and chips,
A complacent smile appears on his face

He is the most dangerous thief on Manly Beach!
