Dear Stella Community,

The events of this week remind us of the fragility of human life:

- Olivia Learmont, Brigid Mackenzie, Lily Mills, Sophie Berry and Mrs Coyte returned from Gallipoli after remembering the 8,000 Australians who gave their lives for their country in that campaign.

- An earthquake in Nepal left over 4000 dead and many injured and trapped in the rubble of their homes. ‘I pray for the victims, for the wounded and for all those who suffer because of this calamity. May they be sustained by fraternal solidarity’, Pope Francis said.

- The execution of ten prisoners in Indonesia (including two Australians) saddened many and was condemned by the Australian government.

These incidents remind us that we should remember to always value life and to care for others. Appeals to assist the Nepalese community have been set up by Caritas - www.caritas.org.au, CARE - www.care.org.au and WorldVision - www.worldvision.com.au.

I wish to acknowledge the girls who represented Stella Maris College at local Anzac commemorations. Thanks to Matilda Gould, Angie Schroeder, Lucy Knowles, Emily Boyde, Lucy Eagleton, Gemma Williams and Isobel Schofield who attended the Manly ceremonies and to Newbie Redding and Caitlin Werakso who laid the wreath at Collaroy beach. We appreciate the efforts of the girls in representing the school at these important community events.

The first round of Student Learning Conferences were held this week at the Benedict Campus. Thank you to the parents/carers who attended with their daughters to discuss how we ensure good learning outcomes are being worked towards in all subjects. Thanks to Ms Molloy who ensured that the PTO booking system ran smoothly and for the patience of families in what was wet and miserable weather.

Finally, I would encourage all families to be involved in our upcoming P&F events. Firstly, the annual School Fees Raffle is almost sold out. Please check the P&F Committee Report for details on how to buy the last tickets. Secondly, the P&F Trivia Night, an important community event and a chance to meet other parents and the teachers, will be held on 16 May at the Benedict Campus starting at 6.30pm. Please come along and be part of the fun.

This week in Assembly as we reflected on the Anzac 100 Year Commemoration we prayed:

Go out into the world in peace.
Be brave: keep hold of what is good.
Never pay back wrong for wrong; encourage the faith hearted.
Support the weak and distressed; give due honour to everyone.
Be always joyful and give thanks whatever happens - for this is what God wills for you.
Amen.

Elizabeth Carnegie, Principal

National Assessment Program – Literacy and Numeracy 2015

LETTER TO PARENTS

In May 2015 the National Assessment Program – Literacy and Numeracy (NAPLAN) will be completed by students in Years 3, 5, 7 and 9. NAPLAN has the support of all State and Territory Education Ministers and will assess the literacy and numeracy skills of students across Australian schools.

The results of the tests will provide important information to schools about what each student can do, and will be used to support teaching and learning programs. Parents will receive a report indicating their child's level of achievement. Each student's level of achievement will be reported against the national minimum standard.

Student background information (student name, gender, date of birth, language background and Aboriginality) will be collected as part of the National Assessment Program. This information is treated confidentially and held securely to ensure that every student's right to privacy is maintained.

The NAPLAN tests will be conducted from 12-14 May 2015.

In the Numeracy tests students do not require any measuring tools such as rulers or protractors. In Years 7 and 9 there will be two Numeracy tests: one where a calculator is allowed and one where calculators are not to be used. For the calculator test, the student should use the calculator that they currently use at school.

Friday 15 May – A 'catch-up' day is scheduled for students who missed a test or were absent on a test day.

Students may be considered for exemption from the tests if they:

- are newly arrived in Australia (less than one year before the test) and with a language background other than English, or
- have significant intellectual disability and/or significant co-existing conditions which severely limit their capacity to participate in the tests.

All other students are expected to participate in the tests. Disability adjustments which reflect the student's normal level of support in the classroom may be provided. Large print, Braille, coloured paper versions and electronic tests are available to meet the needs of individual students.

Access to disability adjustments or exemption from the tests must be discussed with the school principal and a parent or carer consent form must be signed.

Students may be withdrawn from NAPLAN by their parent or carer. This is a matter for consideration by parents in consultation with the Principal. If you wish to withdraw your child from the tests, a parent or carer consent form must be signed.

Please make an appointment with the principal of the school your child attends if you would like to discuss your child's participation in NAPLAN.

Additional information about NAPLAN can be found at [www.nap.edu.au/NAPLAN/Parent_Carer_support/index.html](http://www.nap.edu.au/NAPLAN/Parent_Carer_support/index.html).

NOUMEA TRIP

On 28 March, four Year 9 and four Year 10 students as well as their teachers, Ms Murray and Mrs Ferguson, travelled to Nouméa, the capital of the French-governed Pacific island New Caledonia for 6 days and 5 nights.

We were able to practise our French skills every night as we dined in different restaurants as well as during the days which were spent at the aquarium, the local beach promenade amongst French locals, on a ‘tchou tchou' open-train tour of the sights of Nouméa, and at a French shopping district where we bought French novelties for our families and French food for our hotel rooms.

We also went to The Jean-Marie Tjibaou Cultural Centre, devoted to the culture of the indigenous “Kanak” people. The centre is an aesthetic amazement designed by Italian architect Renzo Piano. There we learnt about New Caledonia’s indigenous culture, language and food and were able to recreate a traditional dish which took over an hour to cook as it is heated underground.

Our last full day in Nouméa was spent on Amédée Island, to which we were endured a 50-minute catamaran ride. There we snorkelled in one of the world’s most admired reefs as New Caledonia’s reef ranks second longest double-barrier reef in the world. We also went on a glass-bottom boat ride around the island to further view the unique marine life. We then watched a traditional dance and even offered our own Australian dancing skills to the occasion in return!

All in all, the trip to Nouméa was one that will remain a highlight of our schooling. It was both linguistically and culturally enlightening and fulfilling and served itself as an unmatchable experience.

BBSSSA CROSS COUNTRY

On Wednesday 29 April, the Stella Cross Country team competed in the BBSSSA cross country carnival at St Ives Showground. It was a cold and wet day, and the course was made a little more interesting after the storms that hit us last week.

The Stella team had a great day. All of the girls competed enthusiastically. We had the largest girls team at the carnival, and some great results in all age groups. The highlight of the day was finishing 2nd in the overall point score, and gaining 1st and 2nd place in the 13, 14 and 15 year team events.

Well done to Millie Prior, Charlie Gilbert, Sophie Wickham, Tasma*, Naomi Scott and Nell Breslin who have been selected to represent BBSSSA at the NSWCCC Cross Country in June.

The following girls finished in the top 10 places in their races (a great effort, as some of the races had 80+ students in them):

- 12 years: Millie Prior 5th
- 13 years: Charlie Gilbert 4th, Taya-Jade Radford 7th, Molly Bell 10th
- 14 years: Sophie Wickham 2nd, Tasma* 5th, Skye Nankervis 9th
- 15 years: Naomi Scott 3rd, Nell Breslin 5th
- 16 years: Daisy Nankervis 10th
- 17+ years: Clare* 10th.

A big congratulations to the whole team for their enthusiasm and fantastic running on a cold and wet day.

Jenii Maker, Head of Performing Arts

P&F Trivia Night
Silent Auction & Competition Prizes Needed

Advertise your business by supporting the P&F Trivia Night. Everything you can offer is needed and appreciated.

The P&F Committee request donations of goods or services suitable for prizes from parents & friends of the College. Prizes can be large or small. We are good at bundling little goodies into fantastic prizes.

If your business wishes to donate, you have the opportunity to:
- Display your business logo in the Newsletters leading up to the Trivia Night
- Have your business included in the Thank You Sponsors page in the Newsletter following the event
- Receive a Certificate of Appreciation to display in your workplace

So... if you wish to make a donation please call
Lee Mills (0412 242 085) or
Paloma Llamazares (0421 610 941) or
leave your donation at the College office, clearly marked for the Trivia Night, by Monday 11 May

This is the main P&F fundraiser for the year. Money raised goes straight to the College for our students’ benefit.

With sincere appreciation, the Stella Maris P&F Committee
The P&F gratefully acknowledges the support of the following individuals and businesses who have generously donated to the P&F Trivia Night. Please, in turn, support their businesses while shopping in the community.
