Dear Stella Community,

Parents And Friends Trivia Night

We remind you that the P&F Trivia Night will be held this Saturday evening at Benedict Campus. You might like to read through the great list of prizes that are available and come prepared to contribute. We hope that you can join us for a great evening of entertainment. The staff is keen to compete with parents and to repeat their win from last year! Thanks to the P&F Committee for organising a great evening’s entertainment and prizes.

Student Learning Conferences

It has been a great pleasure to meet families during the Student Learning Conferences. The teachers are keen to establish good relationships with the students and families this year as we establish new understandings of the importance of learning and teaching at Stella. It is important that we use these opportunities to establish good work patterns at home and at school to achieve good outcomes for the girls. I look forward to meeting more of you at the last conferences to be held next week.

Interviewing New Stella Girls

I have spent much of this term interviewing students who wish to become Stella Girls. It is wonderful, but a humbling experience, when I find out that what impressed them most about Stella comes out of the conversations they have with students who volunteer to take families on a tour at our Open Evening. The connection that students have with the school is such a great aspect of our community.

Good Luck

To Newbie Redding who has been selected to represent NSW at the 2015 Australian Gymnastics Championships. She will be competing in Melbourne next week. We wish her all the best.

Prayer

Jesus said to his disciples, ‘I do not call you servants any longer because the servant does not know what the master is doing; but I have called you friends because I have made known to you everything that I have heard from my Father. You did not choose me but I chose you. And I appointed you to go and bear fruit, fruit that will last...’ (John 15:15-16)

Today’s prayer is evocative of our school aim and mission in its challenge to bear fruit. Our Stella Girls are asked to go out into the world to make a difference- we hope that the fruit they bear is a true and lasting contribution to the community.

P&F GENERAL MEETING
WEDNESDAY 20 MAY AT 7.30PM
STELLA LIBRARY - ALL WELCOME

Guest Speaker—Mrs Kylie Andrew
Stella Maris School Counsellor

Come along and hear Kylie speak, to give us all a wonderful insight into just one of the tremendous support functions Stella offers our girls.

Are you curious about Secret Girls Business?
Would you love some inside information and insight from an educational perspective?
Then you are in luck! This is your chance to step inside Girl World...
Monday’s Social Justice day took us to Santa Sabina College in Strathfield. We were welcomed warmly and split up into different table groups so we could socialise with other students. There were many schools from around Sydney and even one from Canberra!

A traditional dance of Kiribati was performed and we listened to speakers from Tuvalu and Kiribati that were involved in various non-profit organisations working toward raising awareness and preventing their island homes from being destroyed by the effects of climate change.

We discovered the dramatic consequences global warming and rising sea levels are having on these small islands; huge waves are destroying sea walls, freshwater wells are being contaminated with salt water and shorelines are eroding. The locals say that the sea is “stealing their land”.

The speakers stated that leaving their country would be a last resort because their land is extremely important to them. Their country and culture are their identity and they want future generations to be raised the same way true Tuvalans or Kiribatians would be.

After recess we rotated through four different workshops, which discussed the importance of being aware of climate change, buying fair-trade products where possible and what Australia could do for Tuvalu and Kiribati. We got to try some fair-trade chocolate and make beads out of recycled magazines. These workshops really emphasised how important it is to be aware of how climate change not only affects Australia but also small islands and how it’s crucial that we spread knowledge about the issues in Tuvalu and Kiribati.

For the last part of the day, we got back into our school groups and discussed ways in which we could aid in spreading awareness and helping the cause within our own schools. The seven of us decided that in order to help inform people of the concerns about Tuvalu and Kiribati, we would set up an Instagram and Facebook account seeing as almost everyone now uses these social networks. We decided to call it Stella Change and post things like statistics and information about the detrimental effects of climate change. We’re doing this in an attempt to stimulate consciousness about the environment.

All in all, the day was very informative and eye opening for all of us and we would definitely volunteer next year if we have the chance. We had a great day and not only did we make new friends and learn many new things, we are now all inspired to go forth and spread our knowledge to others and really make a different for the people of Tuvalu, Kiribati and the world.

PARENT – TEACHER ONLINE

Student Learning Conferences are booked online through PTO. One remaining date is available for interviews for all Years 7-12:

21 May (4.00—7.00pm)

Both Parent/Carer emails have been set-up in PTO, but please only make ONE set of Interviews per daughter unless it is absolutely necessary that you each attend separately.

INSTRUCTIONS FOR ACCESSING YOUR LOGIN DETAILS

1. Go to your Parent Portal page (or to the school website) and you will find a link to PTO. Click on this link and it will take you to the following page:

   ![Login to PTO and Obtain PIN/Password]

   Click here first

   Enter your email address and click SEND EMAIL

2. Your page should now look like this:

   ![Log in to PTO and Obtain PIN/Password]

   Click on LOGIN

3. CHECK YOUR EMAIL MAILBOX. Assuming you have entered the correct email address, an email will be sent immediately to this address and will contain your Login details. PLEASE SAVE THESE DETAILS. (A secure link may also be included, which allows you to bypass the login).

4. Return to PTO screen, click on LOGIN as shown below:

   ![Log in to PTO and Obtain PIN/Password]

   Click on LOGIN

5. Enter your SURNAME (Login) and PIN number and Click on the Login Button.

6. On the WELCOME screen, click on OK at the bottom

7. You should see a screen with your daughter(s) teachers. From here you can use the drop down arrows to SELECT TIMES for appointments. Click on MAKE BOOKING to confirm the time. If a timeslot is NOT showing, it means that the teacher is already booked at that time.

   ![Teacher availability]

8. A yellow exclamation mark means that a teacher is requesting that you definitely make an appointment to speak with him/her.

9. Access to bookings will CLOSE at 9:00 a.m. the DAY BEFORE each of the interview dates.

10. For ALL ENQUIRIES/PROBLEMS please email: PTOhelp@stellassews.nsw.edu.au

EXAM TIME

A variety of assessment tools are used throughout the year in all subjects. Term 2 is traditionally exam time. It’s a time when students stop to consolidate and reflect on work covered so far.

Assessment schedules for all subjects are available on the Portal. These show the type and date of tasks. You will see that not all subjects will require students to do an exam in Term 2.

Students in Years 7 and 8 complete exams in class time. There is no exam block where they do exam after exam for days on end while regular classes are suspended. Teachers give students a notification sheet giving details about an up-coming exam so students can prepare well in advance and enter dates into their diary so they can organise a study plan.

Students in Years 9 and 10 do more formal exams in mandatory subjects like English, Mathematics, Science, History and Geography. Again there is no exam block. Over a four day period, students will sit one exam per day. Other classes run as normal so less teaching time is lost. This changes in Term 4 for Year 10 where they are preparing to enter the senior school and an exam block is more appropriate.

The timetable for Year 9 exams is shown below:

<table>
<thead>
<tr>
<th>Date</th>
<th>Period</th>
<th>Exam</th>

</tr>
<tr>
<td>Mon 25/5</td>
<td>1</td>
<td>English</td>
</tr>
<tr>
<td>Tue 26/5</td>
<td>1</td>
<td>Mathematics</td>
</tr>
</tbody>
</table>

If your daughter is absent on a day when there is an exam scheduled, please call Student Reception to report her absence as usual. She will do the exam in her first period back in class of that subject where the exam was missed.

The results of the exams and any other assessment tasks from Semester 1 will be reported on the Semester 1 reports which will be available on the Portal at the end of Term 2.

Students from Year 7-10 attend study skills workshops at the College to prepare for these busy times of year. Different techniques are demonstrated to make study time more effective and productive. The material covered in the workshops is available on Moodle for any student who wants to refresh her skills.

We wish all students well with Term 2 assessments.

Congratulations to the Stella Open Soccer Team who played at the BBSSSA Soccer Championships at Cromer Park on Monday 11 May. The team played extremely well all day, progressing through to the Grand Final against Mount Saint Benedict. It was a very close final, with Stella unlucky to lose 1–0 on a penalty.

Congratulations to Tegan Biasi, Lilli* and Braede Cox who have been selected into the BBSSSA team to play at the NSWCCC soccer championships later this term.

Well done to all members of the team:
Jamoia Bennett, Dayna Biasi, Tegan Biasi, Nell Breslin, Braede Cox, Lucy Davies, Grace Glasson, Logan Mounsey, Jade Philip, Ciara Rogers, Nicole Saldern, Lilli*, Sarah* and Georgia Wood.

Congratulations to Teigan O’Shannassy (Year 11) who has been selected to represent NSWCCC at the NSW All Schools Netball Championships. This is a great achievement as selection into this netball team is very difficult. Well done Teigan!

NSW ALL SCHOOLS SWIMMING

Best of luck to the following students who will be representing NSWCCC at the All Schools Swimming Championships at Homebush on Monday:
Hannah Baldwin, Naomi Scott, Claudia Wolff, Athena Liang, Skye Nankervis, Sophia*, Georgia Crowley, Janice*, Daisy Nankervis and Nikki Sammut.

HOMESTAY FAMILY OPPORTUNITIES

BECOME A STELLA MARIS HOMESTAY FAMILY

Our Homestay Service is an important aspect of the College’s International Program. The aim of this service is to place our overseas students, who travel a long distance to come to Australia to study on their own, with quality and caring homestay families. The students are normally aged 14-16 years old and plan to pursue their studies for at least three years at Stella Maris College.

The overseas Stella students and their families value and respect this service – they think it is the best experience their daughters could ever have. To be able to live with a Western family and get to know the culture, cuisine and gain lifelong friendships is an integral part of their study journey. Therefore, the College’s International Program carefully selects homestay families by arranging to meet with them to ensure the home is suitable to accommodate the student and that Working With Children Check requirements are met. After approval, we provide homestay families with detailed information and guidelines to help them successfully host a long-term overseas student.

If you would like to enrich your family’s culture, teach your children inclusiveness and understanding, or create some international connections by hosting an overseas student, please express your interest by emailing me, Jiani Chen jiani_chen@stellamaris.nsw.edu.au, with your name, your daughter’s name, home address and mobile number and I will be in contact with you.

Jiani Chen, International Program Officer

MATHEMATICS

MATHS HELP

We have been very happy to see that students from a range of year groups have started to use Maths Help to assist their learning in Mathematics. With the Semester 1 examinations just around the corner, we encourage students to come along and try out Maths Help. Students should bring:

- Any homework questions they have found difficult
- Questions that they have chosen for private study that have proved to be challenging
- Questions from Mathletics or Hotmaths tasks that have caused a problem

A Mathematics teacher will be available on the following days in E28 from 3:30 – 4:30 pm to help you:

- Week 5 - Monday 18 May
- Week 6 - Monday 25 May
- Week 7 - Wednesday 3 June
- Week 8 - Tuesday 9 June
- Week 9 - Tuesday 16 June

Kim Naylor, Acting Head of Mathematics
ALL LIBRARY LINKS REMINDER

All Library Links is divided into 8 tabs, which hold the necessary referencing, essay writing, plagiarism, paraphrasing and research guides. All Library Links can be found in Moodle - Stella Maris College’s Online Learning Management System.

Tab 1 - Quick links: Online access to Encyclopaedia Britannica

Year 10 are currently examining the significance of the Eucharist for the Catholic adherents.

Encyclopaedia Britannica is available to students online – available at home and at school. Encyclopaedia Britannica is a good place to start as it is a well-researched resource, and it is written for varying reading levels - Primary to High school. Contents on the left offers articles, images, videos, Web’s best sites, Ebsco, Primary sources and Ebooks.

NEW BOOK: REVIEW AND WHY I LOVE MY JOB

Thirst, written by Lizzie Wilcock, is a novel that I take great pleasure in recommending to students. “Karanda Hooke doesn’t need anybody or anything. On her way to her sixth foster home, a crash leaves her stranded in the outback with only a backpack, a bottle of water and a faded picture of the mother she hasn’t seen in years. This is her chance to escape her old life. There’s only one thing in her way… eight year old Solomon”. There are only 2 characters in this book but they hold the readers interest due to their spiky, loving, independent and vulnerable personalities. As well as being a compelling read, the reader gains useful survival tips in case one is ever stranded in the Australian Desert.

SAFETY NOTICE
For students' safety, the Canteen only provides boiling water for noodles to students who either buy the Fantastic Noodles from the Canteen or bring the 70g 'Fantastic Noodles' or 'Simplee' (available from ALDI) from home. These containers are sturdier than others and can withstand boiling water.

HEALTHY OPTIONS CAMPAIGN
Students receive points on their My Student Account for purchasing healthier foods, e.g. water, salad rolls and multigrain/wholemeal rolls. Prizes are awarded at the end of the year for one girl in each year group (the Year 12 prize is one formal ticket paid for) so think about what you’d like to order and get those points accumulating.

Information: 1300 369 783 Add Funds: 1300 884 668

- Students are not to lend their card to others. Card owners must be in attendance if students want to buy for others.
- Students should have only ONE card. Old cards will not be served.
- Replacement cards cost $5. Defaced cards will need to be replaced.
- Please check your daughter’s My Student Account to ensure she has sufficient funds to purchase items.

Bernie McGrath & Cheryl Young, Canteen Supervisors

CONGRATULATIONS
We would like to give a HUGE Congratulations to Ella Doughty in Year 7 who was awarded second place in the Solo for Brass under 12 years, highly commended in Sonata for Brass and second in the Junior Championship.

AIM EXCURSION
This week our Music students went on an Excursion to AIM for their music showcase performance Live at the Apollo. It was a fabulous showcase of talented students. A very inspirational trip!
