Dear Stella Community,

**Generation Stressed: Young women at risk of being left behind (AGSA)**

The Melbourne Institute of Applied Economic and Social Research has released some positive statistics indicating that 74% of women today will have a post-school qualification or degree compared to 71% of their grandmothers. But the ANZ Women’s Report indicates that on average women earn $15,000 less than men and will have only half as much superannuation when they retire.

Evidence gathered by the Alliance of Girls’ Schools Australasia (AGSA) points to the need for female students to work to develop skills and qualifications that will help them secure full-time employment and an adequate retirement income. This generation of girls needs to look to opportunities not only in the STEM (science, technology, engineering and mathematics) fields but also in business, entrepreneurial and creative careers.

As a girls’ school we encourage families to see the six years working with us at Stella Maris College as a valuable investment in their daughter’s future. Our staff tries to create strong connections with the girls in the first four years of their education and those connections finds expression in the girls’ excellent results in the HSC. As AGSA indicate in their literature, girls thrive in an all-girls’ environment so please work with us to ensure that your daughter six years at Stella is one that is preparing them for a positive future.

**Feast of Mary of the Cross (MacKillop)**

Mary of the Cross (MacKillop) was declared a Saint by Pope Benedict XVI and has her feast day this Saturday. St Mary founded the congregation of the Sisters of St Joseph who worked with us at Stella Maris College as a valuable investment in their daughter’s future. Our staff tries to create strong connections with the girls that were disheartened, lonely or needy.

As a girls’ school we encourage families to see the six years working with us at Stella Maris College as a valuable investment in their daughter’s future. Our staff tries to create strong connections with the girls in the first four years of their education and those connections finds expression in the girls’ excellent results in the HSC. As AGSA indicate in their literature, girls thrive in an all-girls’ environment so please work with us to ensure that your daughter six years at Stella is one that is preparing them for a positive future.

**Prayer to Mary MacKillop**

Ever-generous God
You inspired St Mary MacKillop to live her life faithful to the Gospel of Jesus Christ
And constant in bringing hope and encouragement to those who were disheartened, lonely or needy
With confidence in your generous providence and joining with Saint Mary MacKillop
We ask that you grant our request
We ask that our faith and hope to be fired afresh by the Holy Spirit so that we too like Mary MacKillop may live with courage, trust and openness
Ever generous God hear our prayer
We ask this through Jesus Christ Amen.

---

**Much Ado About NAPLAN**

Inevitably as August comes around in Australia and the NAPLAN results are published we have the commentary in the media about the performance of students in Australian schools. It is important to understand what NAPLAN actually is, why tests like this were designed and more importantly, where to next.

NAPLAN is a diagnostic test. Diagnostic tests have been around for decades and were developed to be used by teachers to show what students can and cannot do. This is then meant to inform teaching and learning to provide better instruction. Perfect! This is what parents and educators alike see as a positive focus for the data rather than its use as a tool to rank schools.

Diagnostic testing itself is not infallible - a one off test on one day of the year is hardly conclusive evidence regarding the skills of students. Would we select the NSW State of Origin team on the basis of one game? Should we rate your culinary skills on the basis of one night’s dinner – we had left over soup for the third night in a row!

When we receive the results on 18 August, we will spend our time analysing the data for both individual students and our Year 7 and 9 cohorts. We will incorporate the accumulated school data to add context to NAPLAN. If there are any issues of concern we will look strategically at ways to address these and engage you, the parents, in the conversation. This more rounded approach has far greater benefit.

The reports about NAPLAN 2015 across Australia say that student results are “stable”. Remembering that the Year 9 tests are harder than the Year 7 tests, having stable results means that students have risen to the challenges of a more demanding curriculum. Well done!

Our NAPLAN results at Stella Maris College have traditionally been of an excellent standard and generally well above state average. Rest assured we will use the data to improve teaching and learning and ask appropriate questions to direct our future planning.

---

**Louise Yeates, Director of Curriculum and Brett Foster, Director of Innovative Learning**

**STELLA ALIVE - Wednesday 12 August**

**Please Note:**

- **Students will be dismissed from school at 1:20pm on Wednesday 12 August due to the setup for Stella Alive. Students assisting to set up or participate in rehearsals will be required to remain at school.**
- **Any student that is participating on the night (assisting or displaying their work) is to be dressed in full school uniform.**
- **Any student that is observing on the night is to be dressed in either full school uniform or smart casual clothing - not a mixture of the two.**

---

**See the Sport report regarding our great Touch Football results**

Elizabeth Carnegie, Principal
A reminder to collect your ‘Earn & Learn’ stickers at Woolworths and place them in the collection box in Student Reception.

Stella P&F 2015

Year 12 Formal 2015

Parents and Guardians are cordially invited to celebrate our community by joining with the staff at the Year 12 Formal

Doltone House

Wednesday 18 November, 2015

7.00pm for 7.30pm start

We look forward to seeing you on this evening of celebration.

Enquiries: Colin Macallister, Head of Year 12
colin_macallister@stellamaris.nsw.edu.au

Payment, of $110.00 per head, is to be made to the Finance Department. Payment by instalments can be organised with the Finance Department. Cheques are to be made payable to Stella Maris College. Credit card or cash - please print your daughter’s name and class clearly on envelope.

Final payments to be made by 20 September 2015

P&F General Meeting

Discussion topic: The Governance of Stella

26 August, 2015

7.30pm in the Stella Library

On Wednesday 26 August we will be conducting our last P&F General Meeting for 2015. We will be fortunate to hear from our Principal, Elizabeth Carnegie, and Deputy Principal, Mary Ryland, who will be speaking about the governance of Stella, how it is made up, who is responsible for what and why the different roles are essential to the running of our school. This will be very insightful and we encourage everyone to come along!

On Wednesday 26 August we will be conducting our last Parental/Carers Forum for 2015. We will be fortunate to hear from our Principal, Elizabeth Carnegie, and Deputy Principal, Mary Ryland, who will be speaking about the governance of Stella, how it is made up, who is responsible for what and why the different roles are essential to the running of our school. This will be very insightful and we encourage everyone to come along!

Stella P&F 2015
WHAT MARK DID I/YOU GET?

These two small sentences would be close to the most often asked questions of teachers, especially around assessment time and then of students when they arrive home from parents. The education system not only in Australia but much of the world is very much focused on numbers and grades, as opposed to effort and improvement.

Now granted, in situations like Year 12 and the NSW HSC there is a very good reason for this fixation on marks. The research however suggests that we are doing our students a disservice by creating a culture around education whereby the final outcome becomes the most important part of the learning process.

Having students who are focused on the process of learning, effort and continual improvement actually creates far better outcomes by the time students reach their HSC.

Psychologists have published research suggesting that “Children whose parents had congratulated them for their effort were more open to taking on challenges, better at problem solving and more likely to believe they could improve themselves by working hard”.

Carol Dweck, writing in the *American Scientific Journal* (2015) suggests that a focus on effort and continual improvement is a far more significant way to improve learning but as parents and teachers we have been eroding this process for years. She writes in the journal;

“According to a survey we conducted in the mid-1990s, 85 percent of parents believed that praising children’s ability or intelligence when they perform well is important for making them feel smart. But our work shows that praising a child’s intelligence makes a child fragile and defensive. So, too, does generic praise that suggests a stable trait, such as “You are a good artist.” Praise can be very valuable, however, if it is carefully worded. Praise for the specific process a child used to accomplish something fosters motivation and confidence by focusing children on the actions that lead to success. Such process praise may involve commending effort, strategies, focus, persistence in the face of difficulty, and willingness to take on challenges”.

So what can we do differently?

Dweck suggests the following examples:

‘You did a good job drawing. I like the detail you added to the people’s faces’

‘You really studied for your social studies test. You read the material over several times, outlined it and tested yourself on it. It really worked’!

‘I like the way you tried a lot of different strategies on that math problem until you finally got it’.

‘That was a hard English assignment, but you stuck with it until you got it done. You stayed at your desk and kept your concentration. That’s great’!

‘I like that you took on that challenging project for your science class. It will take a lot of work—doing the research, designing the apparatus, making the parts and building it. You are going to learn a lot of great things’.

Especially in Years 7-10 let’s try to move the focus from marks/grades to effort/improvement. This shift will see the former improve as a consequence.

Brett Foster, Director of Innovative Learning
Care for Our Common Home
Year 10 Social Justice Day
How to contribute to a more just and sustainable society
Oxford Falls, September 2nd 2015

Awareness Walk - August 18th. Let’s walk for Justin!

YEAR 11 LEADERSHIP DAY

As the Year 11 girls move into the last phase of the term, the time for the selection of the College Leaders for 2016 is upon us. All Year 11 girls were invited to a leadership development day last week at which we learnt the values, skills and actions that are required for one to lead within the college.

Mrs Silburn and Miss Collins ran many enjoyable activities throughout the day. These group activities continuously reminded us of the fact that to be a leader it is a joint effort and an individual cannot adequately lead without the input of others. Mrs Smith also spoke to us about whom she admires and how they have taught her to become a better leader. She put the reality of leadership into perspective and how humility, resilience and humour are three key qualities of a leader. The 2013 Vice Captain, Violet Warner came and gave us some advice based on her experiences of being a leader within the college as well as how to balance a leadership role with the stresses of year 12 work load.

All in all, the day was extremely motivating, inspiring and exciting. Many lessons were learnt that will not only be applicable within the college but useful life lessons for the future. A massive thanks to Miss Collins for all her efforts in organising such a great day. Good luck to all year 11’s going for a leadership position!

Gemma Williams, Year 11.

Carolyn Collins, Mission Team
ACTT
29 Aug - Open Day 10am-3pm. Get to know one of Sydney’s longest accredited colleges for stage and screen acting, music theatre and stage management, Actor’s College of Theatre and Television. Tours, workshops, advisors. RSVP actt.edu.au or phone (02) 9213 4500.

Overseas High School Volunteer Projects
An incredible opportunity to experience volunteering overseas this summer 2015/2016. You will travel for two weeks with a group of like-minded 16 & 17 years olds, who come from all over the world! High School Projects are for students who want to see the world, make new friends, understand a new culture or even to gain an insight into a potential career. The volunteer trips will run this summer from 6-19 December and 3-16 January in Cambodia, Fiji, Sri Lanka, Nepal and the Philippines. The projects are a rich mixture of volunteer work and cultural activities, so you can really immerse yourself into local life. There are loads of projects that you can choose from! You can:
• Support the care and education of children in Sri Lanka, Nepal, and Cambodia
• Become part of a traditional village community in Fiji
• Learn to dive and assist in marine conservation work in Cambodia
• Shadow doctors in medical work experience in Nepal
• Help to reconstruct community buildings and housing devastated by a typhoon in the Philippines
• These projects are fully-supervised, and are an unforgettable and worthwhile way to travel with purpose this summer!
Download the High School Projects leaflet or look at available projects here.

Jeanette Ferguson,
Careers Advisor
YEAR 6 GIFTED & TALENTED WORKSHOP - 20 July

Fourteen students from local primary schools participated in the Year 6 WINGS, Gifted and Talented Workshop this week. The girls were invited to a taste of the activities available to Year 7 in the WINGS program. The Year 6 students were divided into teams and assigned a Year 7 Mentor. The girls were not only challenged by the technologies and activities but learned valuable new skills, engaging students in a fun learning experience. The day consisted of; Chess & Robotics, Mathematical Strategies & Problem Solving, Geography Team Quiz and Spelling Bee. It also gave the girls an opportunity to make new friends and experience a day in the life of a high school student. The girls thoroughly enjoyed their day at Stella Maris and we look forward to them participating in our WINGS program next year.

Thankyou to our Year 7 Mentors; Mia Lane, Rebecca Mackenzie, Jasmine Costello, Summer Pittar, Millie Prior, Brianna Campbell, Lucy Collins, Sarah Maher, Peggy McKenzie, Bianca Beck, Hayley Dalton, Zoe Pearson.

Thankyou also to Grace Kendall, Mia Lane and Charlie Gilbert for their reflections on the WINGS program and Rachael Ewins and Kate Wheatley of Year 10 for their technical expertise in videoing the day.

Ruth Longworth, Gifted & Talented Coordinator

DUKE OF EDINBURGH

Last Friday over 100 very excited Year 9 and 10 students set off for their bronze and silver practice hike. On the Friday the girls walked 22km and stayed overnight at Lane Cove Caravan Park. Luckily the weather was very kind to us and the night was relatively mild in comparison to the cold nights that we’ve had lately. On Saturday morning we set off early to Hunters Hill where the bronze students completed their first hike having walked a brisk 10.5km. The silver students had a very long Saturday only finishing at 5pm having walked 26km! The girls are to be commended on their enthusiasm and behaviour. A big thank you to all the staff involved in the hike.

The test hike for bronze will be during the Year 9 camp, and the final local hike of the year will be the last week of term.

18-19 September - Bronze make up hike
18-20 September - Silver hike
19-21 September - Gold hike

Andrea Mezger, Duke of Edinburgh Coordinator

YEAR 8 ITALIAN TRAVEL DIARY

Year 8 Italian students have just finished the first part of their Travel Diary – a virtual tour of all the fascinating cities in Italy. From the fashion houses in Milan to the gondola rides in Venice, to the art work of the Masters of the Renaissance in Florence to love-struck Juliet at Verona, the students have learnt about Italian traditions and customs.

If you ask an Italian where in the world they would most like to live, the odds are that they will say “in Italia”. Indeed, most people have raved about Italy since tourism began, and Italy really does have it all; one of the most diverse and beautiful landscapes in Europe, the world’s greatest hoard of art treasures (many on display in Florence and the Vatican museums ), a climate that quite often reflects the warmth of the Mediterranean, and most important of all, a delicious and authentic national cuisine. Once you’ve visited Italy, you may never want to travel anywhere else.

Italy might be the world’s most celebrated tourist destination. An Italian characteristic is to embrace life to the full; in the hundreds of local festivals taking place across the country on any given day to celebrate a saint or the local harvest, in the importance placed on good food, in the obsession with clothes and image, and in the daily ritual of the collective evening stroll or passeggiata – a sociable affair celebrated by young and old alike in every town and village across the country.

Year 8 have designed brochures to entice travellers to visit the wonders of the Italian heritage and they are on display in the library. Well done girls!

Teresa Milazzo, Teacher of Italian

TOUCH FOOTBALL CHAMPIONS

Congratulations to our Year 7 and 8 touch football teams who played at the Northern Sydney All Schools Touch Football tournament at Nolan’s reserve last Monday.

Stella 1 had a very successful day against extremely tough competition. Stella played some very hard round games but progressed through to the semi-final against Narrabeen Sports High. The girls played brilliantly and won the semi 4 -1, to go through to the grand final! It was a great game and Stella defeated Monte 3 -2, to become the Northern Sydney Touch Champions! The team will now go on to the All Schools State Final in Bathurst in November. A big thank you to Chloe Scranage (Year 10) who coached the girls so well all day.

The Stella 1 team: Sophie Wickham, Aysha Whyte, Campbell Reimer, Bailey Reimer, Heidi Schmatloch, April Griffiths, Skye Nankervis, Edie Monks, Ellie Douglas and Analiese Melbourn.

The Stella 2 team also played well all day. They unfortunately didn’t make the final series, but fought hard to score a couple of good wins throughout the day.

The Stella 2 team: Charlie Gilbert, Annabelle Gilbert, Shabar Thomas, Zoe Pearson, Lilly Warfield, Daisy Young, Molly Bell, Mia Connolly, Megan Scheel-Gamborg and Sophie Douneen.

A big thankyou also goes to Jessie Purvis (Year 10) and Tasma Woolley (Year 9) who refereed for the day.

ATHLETICS

Good luck to the Stella athletics team who will be competing at the BBSSSA Athletics Carnival next Tuesday 11 August at Sydney Olympic Park Athletics Centre.

SOCCER

The BBSSSA Junior and Intermediate Gala Day that was postponed due to wet weather in Term 2 has now been rescheduled to Tuesday 18 August.

Jenny Wickam, Head of Sport
### Healthy Options Campaign

Students receive points on their My Student Account for purchasing healthier foods, e.g. water, salad rolls and multigrain/wholemeal rolls. Prizes are awarded at the end of the year for one girl in each year group (the Year 12 prize is one formal ticket paid for) so think about what you’d like to order and get those points accumulating.

Information: 1300 369 783
Add Funds: 1300 884 668

- Students are not to lend their card to others. Card owners must be in attendance if students want to buy for others.
- Students should have only ONE card. Old cards will not be served.
- Replacement cards cost $5. Defaced cards will need to be replaced.
- Please check your daughter’s My Student Account to ensure she has sufficient funds to purchase items.

### Safety Notice

For students safety, the Canteen only provides boiling water for noodles to students who either buy the Fantastic Noodles from the Canteen or bring the 70g ‘Fantastic Noodles’ or ‘Simplee’ (available from ALDI) from home. These containers are sturdier than others and can withstand boiling water.

Please be aware that electronic number plate identification is now in force in our parking areas.

It may mean you could be booked for overstaying, even if you move after 2 hours to another spot within the same zone. You can still park above the stairs at Queenscliff, in Kenneth Road or over the bridge on Pittwater Road, toward the Mall as this is all Warringah Council area and therefore no restrictions. Sorry for the inconvenience but this is out of our control.

Gail Hickey & Maree Sewell, Uniform/Book Shop Supervisors
9976 1819 or uniform_books@stellamaris.nsw.edu.au

**Swimwear Stocktake Sale**

We are clearing our shelves of the superseded style of red and green swimming costume and the superseded maroon and green water polo costume. They are available in various sizes for $30 each. Perfect for a spare. Come in and have a look.
Lifeline Northern Beaches Giant Book Fair

At the Book Fair there will be thousands of good quality books, at bargain prices, in many categories, including a wide range of children’s books suited to all ages. For the enthusiast/collector we have a large number of award winning and collectible books. In addition to the above we will also have a wide selection of puzzles, games, CD, vinyls etc so there’s something for everyone!

All funds raised support the activities of Lifeline Northern Beaches which, in addition to the crisis line (13 11 14), provides a lot of services to our community, including 24 hour counselling, bereavement support, anger management and problem gambling to name but a few.

Your support for our Book Fairs goes a long way in generating the funds required to continue providing these services to our community. See you there!

Venue: Ted Blackwood Hall,
Cnr Jackson & Boondah Rds, Warriewood
Date/Time: Friday 7th August 1pm - 8pm
Saturday 8th August 9am - 5pm
Sunday 9th August 9am - 2pm
Payment: We accept Visa & Mastercard and also have EFTPOS facility available.
Entry: By gold coin donation much appreciated.

Manly Relay For Life 2015
Keirle Park, Manly
Saturday 5 September
10am-10pm

Relay For Life is a community festival to raise money and awareness for Cancer Council NSW. It’s more than just a fundraising event, it’s a fantastic day with something for everyone! Come down and enjoy a full program of events; live bands and entertainment, kids’ activities and food!

For more information visit: http://relayforlife.org.au/ and search ‘Manly’

Contact: lexy_wildash@stellamaris.nsw.edu.au to join the Stella team today!!
