FROM THE PRINCIPAL

Dear Stella Community,

Body of Works (BOW) Night and Stella Alive

This week has been most memorable with our Body of Works Night and Stella Alive bringing the main campus to life. Thank you to our wonderful students who showcased their works in Visual Art, Visual Art (Media), Design and Technology, and Textiles on the BOW Night. Thank you to the Stella staff that has worked with the girls in this and previous years to produce such a wonderful outcome. Thank you too to Susan Salier, Artist Educator at Museum of Contemporary Art, who opened the Body of Works Night and congratulated the girls on their achievements. We wish the Year 12 students best wishes as they submit their major works and present HSC performances over the next few weeks.

On Tuesday night, I posed the question, “Why should we concern ourselves with artistic expression and creative thought when academic standards, teacher accountability, and international ranking on tests dominate the education debate?”

The creative potential and product of adolescent minds can to be fostered through artistic thought, planning and imaginative projects. Innovative and creative thinking will allow young people to thrive in a world where they could easily be overwhelmed by facts and information. Year 12 offered us a collection that expressed a celebration of their sense of self and an exciting interpretation of the world that they will inhabit.

Stella Alive on Wednesday evening was a celebration of creative and performing arts from across the year groups. From Visual Arts portraits, Design and Technology projects, Food Technology cakes to Dance performances, Drama shows and Music ensembles, our Stella girls shared their talents with their families and the many visitors including Year 5 and 6 students whom, we hope, will become Stella Girls. It was a wonderful evening and I thank the girls and the staff for their efforts to make the night a success.

Congratulations Year 12 2016

Year 11, with the guidance of Mrs. Scully-Power, Ms. Collins and Mrs. Heraghty, have worked through the Leadership preparation and voting for School Captain 2016. Thank you particularly to Abby Harris, Angel Zhuang, Bella Filacuridi, Bronte Oldfield, Chloe Valis, Christian Olson, Elaine Barton, Gemma Williams, Hayley Jago, Lexy Wildash, Lilly Mills, Lily Hammond, Shelly Yang and Venice Warner for speaking as candidates for the position of School Captain. It was wonderful evening and I thank the girls and the staff for their efforts to make the night a success.

Prayer

Bless all humanity, Creator God, from the rising of the sun to its setting: from your goodness enrich us, by your love inspire us, by your Spirit guide us, by your power protect us, in your mercy receive us, now and always

AMEN

Education and Training is a large, strongly growing industry, with 912,100 workers or 6% of national employment. Employment increased by 11.3% (or 92,700) over the five years to November 2014, and by 2.5% (or 22,400) over the past year. Adult, Community and Other Education accounted for the largest number of new jobs.

Over the five years to November 2019, employment is projected to continue to increase strongly (up by 16.6% or 142,700), well above the all industries average (10.0%).

The proportion of the Education and Training workforce employed in regional areas is the same as the all industries average, but its large workforce size means there are almost 300,000 jobs outside the capital cities.

About 55% of this industry’s workers are Professionals (compared with the all industries average of 21%), with teachers being the largest occupations. Reflecting this, the industry is highly skilled. The majority of workers hold a bachelor degree or higher qualification and only around one in ten workers does not have a post-school qualification.

In light of the time required to gain relevant qualifications, few of the workers are aged 15 to 24 years, but Education and Training has the second highest proportion of workers aged 45 years or older across all industries.

This industry’s workforce is female dominated (70% of workers are female) and part-time employment is common.

HISTORY

LONE PINE COMMEMORATION - 6 August 2015

It was a privilege for the participants of the 2015 Gallipoli Schools Tour to be invited to the ceremonies at the Anzac Memorial in Hyde Park to commemorate the hundred year anniversary of the battle of Lone Pine. Lilly Mills and Sophie Berry were wonderful representatives of the Stella Group and I was proud to accompany them. The ceremony was a even more moving as we had stood at Lone Pine in April and reflected on the sacrifice of the Australians who fought there and who so often were only a few years older than Lilly and Sophie.

Our Premier Mike Baird was eager to speak to the girls about their experiences at Gallipoli so we were invited to Parliament House afterwards to do this. It was also a great chance for the students to meet up with those who had shared the Gallipoli trip with them and who are now ‘mates’ in the Anzac tradition.

Anne Coyte, Accompanying Teacher
Knitting Club has begun this term. Enthusiastic students, with or without experience, are invited to come along and Staff teach the techniques of knitting. We meet on **Fridays at lunchtime in E211**.

Squares get sewn together to make warm blankets which get donated to ‘Wrapped with Love’. We would love to see more girls involved. No experience is necessary. If any family or friends would like to contribute we knit plain stitch, size 4½ needles and 30 stitch squares. Squares can be dropped off to the RE staffroom or Student Reception. If you have any queries please don’t hesitate to contact me at the college.

Alison Hausmanns, Teacher of Religious Education

HEALTHY OPTIONS CAMPAIGN
Students receive points on their My Student Account for purchasing healthier foods, e.g. water, salad rolls and multigrain/wholemeal rolls. Prizes are awarded at the end of the year for one girl in each year group (the Year 12 prize is one formal ticket paid for) so think about what you’d like to order and get those points accumulating.

Information: 1300 369 783
Add Funds: 1300 884 668
- Students are not to lend their card to others. Card owners must be in attendance if students want to buy for others.
- Students should have only ONE card. Old cards will not be served.
- Replacement cards cost $5. Defaced cards will need to be replaced.
- Please check your daughter’s My Student Account to ensure she has sufficient funds to purchase items.

SAFETY NOTICE
For students safety, the Canteen only provides boiling water for noodles to students who either buy the Fantastic Noodles from the Canteen or bring the 70g ‘Fantastic Noodles’ or ‘Simplee’ (available from ALDI) from home. These containers are sturdier than others and can withstand boiling water.

VOLUNTEERS:
Please be aware that electronic number plate identification is now in force in our parking areas.

It may mean you could be booked for overstaying, even if you move after 2 hours to another spot within the same zone. You can still park above the stairs at Queenscliff, in Kenneth Road or over the bridge on Pittwater Road, toward the Mall as this is all Warringah Council area and therefore no restrictions. Sorry for the inconvenience but this is out of our control.
