Dear Stella Community,

This week we farewell Year 12 2015. Here is part of the address I shared with them on Thursday morning:

“Each time a child is born the world changes
When you were born there was a new person for your family to love and care for
And because of you there is one more person that can love and care for others
And because of you there is one more person who will grow and learn and one more person who can teach others

(Because of You by BG Hennessy)

BG Hennessy’s beautiful children’s book says that the world is special and different because you are here and I read it today because I think that we are really blessed to have had you with us at Stella.

To help me explain this to the rest of the school I asked the staff to share some memories they would always have of you as you leave Stella. (These memories covered events such as their time at Waterworks in Year 9, their engagement with the Year 11 Retreat and how in Year 12 they have come together as a group-supportive and celebratory of each other’s skills.)

Year 12 you have left a mark on the community at Stella. You are energetic, get involved, think deeply and feel strong emotions. You have broken down barriers within your group and today find yourselves on the brink of an exciting future. I want you to leave here with good memories but also know that we are richer for having had you as part of our community.

Could I finish today with BG Hennessy who for me says it best:

Because of you there is one more person that can love and care for others
Because of you there is one more person who will grow and learn and one more person who can teach others to love and care.

Year 12 2015 - I wish you all the best and I thank you for sharing this part of your journey with us at Stella.”

Congratulations

To our Soccer Team; Jamoia Bennett, Logan Mounsey, Grace Glasson, Abby Nesbitt, Sophie Gerber, Sophie Hale, Isabella Courts, Dayna Biaisi, Teigan Biaisi, Zoe Carley, Chiara Tisano, Sarah*, Antonia Aronis, Nicole Sammut and Bella Huggins who won the Peninsula Cup Open Girls Football on Wednesday evening against Mater Maria. Well done girls and thank you to Gonzalo and Fran for your coaching and great management of the team. See the Sport Report for more detail on this event.

Congratulations to the Year 11 Drama class whose major production of Black Rock by Nick Enright was powerful and confronting. The girls were amazing and their attention to their craft in performance was commendable. Thank you to Director - Geoff Cartwright and to Mitch Smith, Maddi Wilson and their production team for the professional work.

School Attendance

Thanks to all students and staff for focused and diligent approach to classes in Term 3 with few disruptions to the academic program. Just a reminder to parents, if you wish to take your daughter out of school during term time, the government requires that you request leave from the Principal. I understand you are the primary carers of your children but the NSW Education Act (1990) states that young people must be in school if it is a gazette school day. I have had a number of last minute requests and a few letters informing me that girls will be absent. I ask for your assistance with this, as we are required to provide a Certificate of Exemption for absences. It is also important to note that absence from school usually means that the girls have learning to make up and sometimes that has an impact on assessments or examinations.

Prayer for Year 12 Graduates

My prayer is for the students who leave us this week as Stella Girls

Creator God, help me to know your will for me
Let your light shine in the depth of my heart
That I may know what you want me to do with my life
Help me believe that you have a special plan for me
Lord I know I pass through this life only once
Help me decide how you want me to make a difference
Give me the wisdom to hear your voice and the courage to answer your call
Above all give me peace of mind and heart.

May our Year 12 students go out to make a difference in our world as all Stella Girls do.

Safe Travels

Good luck and safe travels to our staff and students taking part in Good Samaritan Immersions - Ms Collins, Ms Ferguson, Hayley Jago, Christian Olson, Isabella Filacuridi and Grace Joseph who are travelling to the Philippines and to Ms Boyd who is travelling to Kiribati.

YEAR 7 AND 8 ROBOTICS

Using the Lego MindStorms software and the EV3 Lego Robots, students had the opportunity to be involved with innovative learning through adventure, discovery, exploration and collective knowledge construction. It was a day of fun and learning!

“A very engaging and informative course! We explored basic programming and acquired a range of useful skills. I loved immersing myself into the future of the technology and viewing what impact it would have on our world.”  
Carly Lavings Year 8

“Robotics definitely let us explore a world of technology that will be very prominent in the future. It let us be creative and imaginative whilst extending our learning.”  
Mia Lane Year 7

“A great experience for tech lovers. The robotics workshop was like a small journey into our future and looking at what is ahead for future generations... from robotic battles on a mat to self driven cars by Google. I really got a sense of robotics in general and the future of robotics.”

B.A.A.B. = BOOK, BLANKET AND A BEAR EVENT

Book, Blanket and a Bear Event was held in the last week of Term 2. The girls involved raised $1,949.35, 11 blankets and 14 books. Each year I read the books and see the progress of the students of Stella Maris and each year the quality and cohesiveness of the novels is improving.

2015 Winner of Book and a bear for most cohesive writing awarded to Warlex. Ella Dopper, Brianna Richardson, Naya Broome and Erica Kelly.

2015 Winner for Book and a bear illustrations awarded to Tantamount. Kate Townsend, Dani Bottrose, Katherine Walsh, Alicia Mardones, Kaitlin Mcguire.

Students can read the books online, by accessing our catalogue through the portal/catalogue/the title of the book in the search box, or in Moodle/Read for your house/Book and a bear.

END OF TERM ACTIVITIES

Duke of Edinburgh Comprehension Program will recommence Week 2 Term 4. Thank you to all the teachers who trusted our iWise marking, student mentors for their commitment, and the beautiful participants who, according to their teachers, have improved so much.

Student Success students have been given permission to concentrate on their projects over one day, before the end of Term 3. Students will log into the library, and must communicate with their teachers prior to their absence. The event may run over one day or two half days. The Student Success Program works well due to, and is dependent on, the maturity of the students involved plus the respect they have for all their subjects and teachers.

P.S. Don't forget to upload your Term 3 reading into Read For Your House. Please encourage your daughters to borrow a book over the holidays. Regular reading is one of the keys to wisdom, and educational progress.

YEAR 11 DRAMA MAJOR PRODUCTION

Last night, Year 11 Drama performed Nick Enright’s controversial play, Blackrock to an audience of close to 150 patrons.

It was the culmination of the entire term’s work. The performance was appreciated by its audience for its truth, its challenges and its sensitive and demanding action, handled with great skill and deep commitment from the class of nine students and the three guest performers.

The class was joined by former Drama prac teacher, now singing teacher Leah Thomas, Drama teacher in Term 2, 2014 Philip Wood and Year 10 student Maddy Press.

This was the final work for Year 11 Drama. The class’ demonstrated commitment to the study in this subject bodes well for very strong HSC results from each of them in 2016.
During assembly Ms Amy Smith announced this program. For the first time the Alliance of Girls’ Schools Australasia (AGSA) is offering this unique opportunity to member schools for girls to be part of an internationally recognised program.

**AGSA has partnered with iVicon the exclusive Australasian partner for HASSE Space School. HASSE Space School immerses students in the world’s most profound and impactful STEM environment – that of space exploration and science in conjunction with NASA.** Overlaid on this experience is a learning framework that incorporates personal development in areas such as self-motivation and reliance, goal setting, team work, curiosity and imagination... the multi-disciplinary skills necessary to empower our young women to take on the changing technological landscape they will face in their careers and life.

As part of our partnership, the Alliance is working with iVicon to organise a composite expedition from our member schools. The plan is for an expedition of both juniors (16 students from Years 7-9) and seniors (20 students from Years 10-12) to head to the USA in the June school holidays in 2016.

It is estimated that the cost of this trip will be $8,000 - $10,000 per student. iVicon can also work with the schools to offer families a payment instalment schedule so as to allow families with varying financial situations the ability to participate.

To register your interest or for further information, please email Amy Smith (amy_smith@stellamaris.nsw.edu.au) or Kylie Andrew (kylie_andrew@stellamaris.nsw.edu.au).

YEAR 12

My dear Year 12 students,

As you approach the final days of your secondary education, I would like to take this opportunity firstly, to wish you God’s grace and blessing. As you leave your school this week, I would encourage you to thank God for the many opportunities you have experienced; the special friendships that you have made; the dedication of your teachers; and for your parents who chose a Catholic education for you. I am sure that all your hard work and commitment to your studies throughout your senior years will result in a wonderful future ahead.

At this special time in your lives, may I encourage you to always keep the presence of our Lord Jesus ever close to your hearts. Be guided by Him as you make your way into a new chapter of your lives. Some of you will go onto further studies and some of you will enter the workforce, but whatever you choose to do, may you always remember just how much Jesus loves you and desires to be ever present in your lives. Be very proud of the special and unique person you have become. Be proud of the many gifts and talents that God has given you and especially, be very proud to call yourselves a Disciple of Jesus.

Please be assured of my continuing prayers for you.

Yours sincerely in Christ Jesus,

Most Rev Peter A Comensoli
Bishop of Broken Bay
