Dear Stella Community,

Remembrance Day Assembly

November 11, marked the 97th anniversary of the Armistice which ended the First World War (1914–18). At 11 am on 11 November 1918 the guns of the Western Front fell silent after more than four years’ continuous warfare. This first modern world conflict had brought about the mobilization of over 70 million people and left between 9 and 13 million dead, perhaps as many as one-third of them with no known grave. Each year on this day Australians observe one minute’s silence at 11 am, in memory of those who died or suffered in all wars and armed conflicts.

How are we to find meaning in Remembrance Day today?

In a world where conflict is ongoing in Iraq, South Yemen, and Nigeria, where families still flee Syria, Afghanistan, Egypt and Pakistan to seek a life of peace for their families, we still need to find a path to peace.

There Will Be Peace
There will be peace: when attitudes change;
when self-interest is seen as part of common interest;
when old wrongs, old scores, old mistakes are deleted from the account;
when the aim becomes co-operation and mutual benefit rather than revenge or seizing maximum personal or group gain;
when justice and equality before the law become the basis of government;
when basic freedoms exist;
when leaders - political, religious, educational - and the police and media wholeheartedly embrace the concepts of justice, equality, freedom, tolerance, and reconciliation as a basis for renewal;
when parents teach their children new ways to think about people.
There will be peace: when enemies become fellow human beings.

David Roberts 1999

We can be just and fair and seek peace in our relationships with others. It starts with you and your relationships. The challenge is how might you bring peace into your life and the life of the community in which you live.

The Sydney Peace Prize is Australia’s only annual international prize for peace. For the past seventeen years the Sydney Peace Foundation at the University of Sydney has awarded it to someone who has made a significant contribution to peace. This year the prize has been awarded to George Gittoes who has been working in Afghanistan with the local community. Gittoes returned to his former school, Kogarah High School, this week telling them, ‘If you do what I do for long enough you become an optimist.’ Then you can go out and make a difference in your world.

The citation for the 2015 Peace Prize reads: ‘For exposing injustice for over 45 years as a humanist artist, activist and filmmaker, for his courage to witness and confront violence in the war zones of the world, for enlisting the arts to subdue aggression and for enlivening the creative spirit to promote tolerance, respect and peace with justice.’

Gittoes wrote to Mother Teresa in India once and asked her advice - ‘Should he become an engineer or a doctor to do good in the world?’ Her advice was that God had given him gifts and he should use those to make a difference. So he continues to work as an artist and filmmaker with people in need.

Consider the impact on the world of war, contemplate the guidance of St Benedict and the example of the Peace Prize winner George Gittoes and choose to be a woman who will make a difference. Our Benedictine tradition would call on us to do so. The Rule of St Benedict speaks to us to simply:

Let peace be your quest and your aim (Prologue).

Refrain from gossip (Chapter 6), and

Support with the greatest patience one another’s weaknesses (Chapter 72).

Together let us try to find ways to live out our Benedictine values for the betterment of the community.

Congratulations/Thanks

Congratulations to Ruby Costello whose Year 12 HSC Textile and Design project has been selected for the 2016 Texstyle Exhibition. Congratulations also must go to Luci Kelly, her teacher and Kim Pynsent, whose textile industry skills have assisted the Year 12 girls with their textiles projects this year.

Congratulations to Mark and Peta Cruise on the arrival of Charlie.

Thanks to Olivia Brown and Teigan O’Shannessy who laid the wreath at Manly Remembrance Day ceremony on Wednesday.

Celebrations

This week the P&F generously provided a thank you morning tea for the staff to recognise their commitment to the girls. Thank you to the P&F volunteers for this tribute to the work of the staff.

Mary Ryland’s Farewell Mass was celebrated by Fr David this week at St Mary’s Catholic Church. It was an important celebration for our community marking Mary’s 30 years of service to the College and her retirement as Deputy Principal. Thank you to Kay Herse, Executive Director of Good Samaritan Education, and Vicki Comerford, former Principal of Stella Maris College, for speaking so glowingly about Mary’s extraordinary contribution to the College and to Catholic education in the diocese.

DISA SATISFACTION SURVEY

Each year in the Annual Report, in which we respond to governmental accountabilities, we report on the satisfaction of staff, parents and students through survey responses. Last year we used an independent survey called the Diagnostic Inventory of School Alignment (DISA) that is produced and analysed by the University of Southern Queensland. We found that this was an effective tool and produced some very helpful data for us to use for continued school improvement.

Parents, students and staff are asked to complete the survey http://disasurvey.acelleadership.org.au/survey/82fc2921 by Friday 4 December. It should take 10-15 minutes, is completely anonymous, simple, quick and painless but your contribution and opinion is valuable to us.

With exams nearly over its time to think about RETURNING OVERDUE BOOKS and BORROWING FOR THE CHRISTMAS HOLIDAYS

During the holidays it is wonderful to have a rest from the stresses of the school day, but, to help your daughters return to the New Year with a bang, it is important for parents to encourage their offspring to read books over the holidays. The best way for parents to encourage reading is to model reading themselves and one way to communicate your love for books is have a family book club. Yes, old fashioned, but it works.

Year 9 will be reading to Kill a Mocking Bird over the holidays – a perfect opportunity for a parent daughter discussion about one of the most moving, thoughtful books of all time.

Parent daughter Movie club -To Kill a Mocking Bird Clickview – available to students at home.

Students may borrow books for themselves from the school library over the holidays.

CHRISTMAS DECORATIONS

Thank you Zoe Skordos for decorating the library foyer in grand Christmas style.

MATHEMATICS

The Mathematics department wants to encourage all students to come along to regular sessions of Maths Help this term. Students could bring:

- Any homework questions they have found difficult
- Questions from Mathletics or Hotmaths tasks that have caused a problem
- Private study that they are working through

A Mathematics teacher will be available on the following days in E28 from 3:30 – 4:30pm to help you:

- Week 7 Monday 16 November
- Week 8 Wednesday 25 November

YEAR 12 2016

BBYTE REVIEW

Year 12 2016 attended the ‘Broken Bay Year Twelve Event (BBYTE)’, a day full of knowledge regarding relationships, morals, values and personal integrity. Bishop Peter Comnsoli of Broken Bay addressed us Stella girls along with the boys from St Pauls and St Augustine’s and our gracious hosts, the Mater Maria Year 12 cohort. Bishop Peter thoroughly explored the idea of different ‘types’ of love. He strongly emphasised the way friendship love is very prevalent in our stage of life; it is simply a type of love in which we flourish from. Lucky enough, our year group has a tremendous bond - friendship love is seen each and every day in abundance!

Following Bishop Peter’s insight David and Katie Kobler, a married couple, came to share their inspirational story. Their heartwrenching story truly opened up the eyes of the young people in the room, making us all realise that life is a journey, not a destination. Katie emphasised that without her struggles she would not be the mother and wife she is today. Katie and David were an extraordinary representation of a strong couple, living out a wholesome life to inspire others. The day also included various small group seminars some of which included; “How to Party Safe” “Same Sex Love” and “Sexual Integrity”, all providing insight into very relevant modern day topics. As a whole the day was beneficial, full of intriguing insight, allowing us to absorb knowledge with which we can form a voice in todays progressive society.

Christian Olson, Year 12 2016

YOUTH MINISTRY DAY

On Friday 23 November we attended Youth Ministry Day at Mount St Benedict with Mrs Blaikie and other Catholic Schools from the Broken Bay Diocese. We started off the day with a prayer followed by skits demonstrating how vital Jesus is in our everyday life. The leaders shared personal stories about their journey and development through faith and how it helped them get through tough times in their life. Through a group discussion we developed ideas and strategies about helping those in need. The leaders also suggested ways to keep students interested when talking to them about religion and how they can help in our Stella Maris Community. From this day we learnt about the importance of Youth Ministry and passing on this new found knowledge to others. We are excited to get students involved and carry on the message of Youth Ministry!

CommPow

We are pleased to support an initiative by three ex-students of St Augustine’s College which may be of interest to parents and community members. The initiative entitled ‘CommPow’ provides community members with discounts from various partner suppliers (such as electricity, gas, fitness memberships), with a percentage also going back to the school fundraising. CommPow will be launched in Term 1, 2016 and parents are asked to register their interest at http://www.commpow.com/. An information flyer is included with this newsletter.

We connect school communities online, and empower them to save on everyday essentials – together.

By bringing school communities together, we can negotiate significant savings through collective buying power. The best part? Aside from generating savings for members, a percentage of every dollar spent is reinvested straight back into your school.

COMMPOW BELIEVERS

“CommPow is the perfect way to save money and give me peace of mind knowing that I’m contributing back to my daughter’s school community.” School Parent, Minnamurra High School

“As past President of the P&F, we all know how difficult and time consuming it is to fundraise in schools. CommPow is an ideal way for parents to contribute without putting in the man hours, while receiving personal benefits.” School Parent, St Agnes College Manly

“Being a parent of three teenagers, a large proportion of my income goes on daily essentials - food, petrol, school supplies, etc. Having the opportunity to register and join with a group who collectively decrease the amount spent on daily essentials is a no brainer.” School Parent, St Agustine's College Brookvale
