Dear Stella Community,

**Reflecting on Curriculum @ Stella Maris College**

Several articles this week have given me confidence in the work we are doing in teaching and learning. Geoff Masters, in an article in [teachermagazine.com.au](https://www.teachermagazine.com.au), reflected on the challenges we face in school education to identify and develop the attributes and skills needed by learners today. The OECD’s Programme for International Student Assessment (PISA) revealed there is a decline in the ability of Australian teenagers to apply concepts in real-world contexts. Secondly, Masters noted a continuing drop in the proportion of Year 12 students studying advanced courses such as mathematics and the sciences. When you consider these realities and recognise that the skillset students will need in the 21st world is one that values collaboration rather than isolated work, problem solving skills and creative learning rather than passive reproductive learning; understanding what we do with learning in schools is critical.

Masters goes on to say that schools need to invest in developing teacher quality and making appropriate changes to pedagogy (how curriculum content is taught).

Masters suggests we set Key Performance Indicators (KPIs) such as monitoring the literacy and numeracy levels through the PISA surveys and develop Australia-wide curriculum reform in response to this data. He proposes we encourage more seniors to choose STEM (Science, Technology, Engineering and Mathematics) subjects. Finally, he suggests our raising awareness of the general skills and attributes that employers value. Masters sees the priorities are to develop deep understandings, communication and problem solving skills, critical thinking and flexible learning.

In his recent William Walker Oration at the 2015 ACEL Conference ‘Leadership in a Digital Age’, Michael Fullan said that leading learning in schools to bring about effective change is critical. Creating schools that have a culture where it is okay to try new things, where collaboration and shared practice as well as goal setting are the norm, is essential. For good learning in a digital environment we need to have a cycle of trying things, to have leaders that listen and ask questions, to speak about what is happening and plan for the future and develop people who want to take charge of their own learning.

These two articles confirm our plans for teaching and learning in 2106 at Stella Maris College. We hope to continue our relationship with our critical friend, David Roy from the University of Newcastle who is challenging the staff to think about what is the nature of learning in their classrooms through classroom peer evaluation and next year through coding of assessments. We look to engage parents more formally with input on Information Evenings and invitations to attend events about their daughters learning as we had trialled this year. We look to encourage the girls to set clear goals for their learning that they will reflect and revise throughout the year. We are focused on providing a good educational outcome for all our Stella girls - preparing them for their future.

**Congratulations**

Congratulations to Taylah Stain on her selection into ARTEXPRESS.

**Farewells and Sojourns**

We have several staff leaving or on-leave:
- **Mary Ryland** is taking long service leave for the start of 2016 but plans to retire during 2016.
- **Anne Coyte** is taking long service leave for the start of 2016 but plans to retire during 2016.
- **Christine Jordi** will finish with us after filling in in the Mathematics department from the start of Term 2. We thank her for her service to the College.
- **Colin Macallister** will be on long service leave for the first half of 2016.

I would also like to acknowledge the work of Jeanette Ferguson who is stepping down from the Leadership Team, however, she will continue as Careers Coordinator at the school. I thank her for her contribution to Staff Services over many years.

**End of Year**

The school office officially closes on Friday 11 December and reopens on 11 January. I wish all who are part of the Stella community a happy and holy Christmas and a restful New Year.

**Advent Prayer**

Lord Jesus Christ, who is, who was, and who is to come, we pray for the virtue of hope, that amidst the trials and difficulties of this world, we may keep our hearts fixed upon you, who reigns over the cosmos.

May your grace enliven us, strengthen us, and defend us, as we await your coming in glory.

Amen

CAMBODIA TRIP

Twenty three students and four staff members left last Friday to travel to Cambodia, so far they have been to Siem Riep and Battambang.

‘The school visit was amazing. It was astounding to see the impact and connection the students made at the school. Many of the Cambodian girls and Stella girls were in tears last night when we said goodbye after two days with them. Definitely a long term relationship between schools was established’ Linda Silburn.

KNITTING CLUB

Our squares have now been sewn together into beautiful blankets. The blankets will now be donated to ‘Wrapped with Love’ and distributed to those in need throughout Australia and overseas.

The girls involved in Knitting Club have been committed every Friday lunchtime for the past two terms. We are so proud of all the girls for what they have achieved.

Special thanks to Ms Mezger, Mrs Hornas and Mrs Wharton who have shared their knitting skills and experience. Many thanks also to Mrs Kemp (a staff member’s mother) for sewing the blankets together.

LANGUAGES IDOL 2015

An afternoon of merriment, fun and laughter! This is a succinct description of Languages Idol 2015 hosted by the talented Lauren Ewins, whose spellbinding rendition of Andrea Bocelli’s *Con Te Partiro* gave the girls goosebumps of excitement. Years 8 and 9 students danced to the tune of their language of choice.

Chinese students danced gracefully with umbrellas to *Where is My Friend?* They entertained the audience with a very famous Chinese pop song *Little Apple*.

French students entertained with their timeless renditions of old favourites *Alouette* and *Frere Jacques*. The girls thoroughly enjoyed themselves and got into the spirit of the afternoon entertaining the audience with upbeat performances of *Je m’appelle Funny Bear, Parlez-vous Francais?* and ABBA’s *Waterloo* (in French of course!)

It was with gusto and enthusiasm that the Italian students danced and sang *Il Ballo del Qua Qua Qua* (the Chicken Dance) and Pupo *Gelato al Cioccolato*.

Japanese students danced to a modern song *Fortune Cookie in Love*. With the energy of all teenagers they danced *The Lazy Egg Dance* and the *Monster Dance*.

You couldn’t wipe the smile off Spanish students’ faces as they danced the *Macarena* and *Waka Waka*, then completely changed the tempo to a more traditional and wonderful performance of *Live My Life*.

It was more than obvious that the girls thoroughly enjoyed all of the performances and left the theatre with the joy that true entertainment generates!

Teresa Milazzo, Teacher of Italian

PERFORMING ARTS

SOUTH COAST TOUR

On Tuesday 1 December our Concert Band and String Ensemble took part in a whirlwind tour of the South Coast. The morning started early with a long drive down to Stella Maris Primary School at Shell Harbour. The students played a beautiful set that mixed their repertoire with some Christmas carols. The primary kids really enjoyed themselves and sung along to a number of carols. After the show the students continued on to Jamberoo Action Park where they had a couple of hours to ‘control the action’. Thanks again for a wonderful year and we look forward having you as part of the Stella Maris musical community in 2016.

THEATRE SPORTS

Our Drama girls had an inspirational night attending Theatre Sports at the Enmore Theatre on Saturday Night. Thank you to our wonderful Drama staff - Geoff Cartwright, Mitchel Smith and Cara Brown.

Jessica Maker, Head of Performing Arts

Well done to the Stella girls on their fantastic results:

Open Surfing: 1st Lois Morton-Chong
Open Mal: 1st Steph Carroll, 2nd Ella McIndoe

BASKETBALL GRAND FINALS

Congratulations to our Year 7/8 basketball team who won the grand-final of the Year 9 Division of the Manly Warringah Basketball Competition this week. This is a great achievement as the girls were playing up in the older division. Well done girls!

Good luck to the year 10 team who are still to play their grand final.

Jenny Wickam, Sport Coordinator

YEAR 9 PAINTING WORKSHOP

Last Wednesday the Year 9 Visual Arts 100 hours and 200 hours classes joined together for a painting workshop on the theme of Multicultural Portraiture run by Meredith Rasdall, who has been teaching art from her studio in Clareville for many years.

Canvas paintings usually begin with a white canvas, however for these portraits the canvas was primed with a black Gesso. To sketch the portraits. The girls used white chalk pastels, and then commenced painting. The style of painting required the students to apply the colours up to the edge of the chalk lines. When the works were finished and dried the chalk was wiped away which revealed the thin black lines. The effect was amazing. We were so impressed with the way the girls worked. They painted for five hours straight and had to be coerced outside for a lunch break. All of the students finished their paintings and we are again amazed at the talent and dedication of our visual arts students and the quality of their work.

Belinda Foss, Head of Visual Arts
