Lenten Prayer

Creator God,

*Today we are invited
to let the Holy Spirit
purify our hearts,
and strengthen us
in love.*

*Help me to
remember how
much I need you
in my life and how
much my life needs
redemption.*

Amen

Dear Stella Community

Ash Wednesday

This week Ms Chin led a service reflecting on the meaning of Ash Wednesday. Gemma Brown and Veronica Worthington, our Liturgy Prefects, led the rest of the Student Leadership Team in speaking to the community about the meaning of Lent and how the journey to Easter invites us to turn away from things that are not life-giving and allow ourselves to focus on growing our relationship with God and with others.

Project Compassion offers an opportunity in a practical way to demonstrate support for the marginalised and poor this Lent.

In Bishop Anthony's recent Pastoral Letter, *Jesus Christ, Our Beginning and End*, the Bishop speaks of the impact of a recent visit to a school which I think was Stella Maris College.....

On a recent visit to one of our Catholic Schools in Broken Bay, the students ran me through my paces via a Q&A session. I was mightily impressed at the depth and thoughtfulness of their questions. It was evident that they were developing the discipline of critiquing life and society with an educated mind and an ever-deepening faith.

In his Pastoral Letter, Bishop Anthony explores the person of Christ and finishes the letter reminding us all of the priority that we should place upon support for the poor. It is a guide for us during this Lenten season. **Bishop Anthony's letter here**

Sydney Schools Summit

This week Louise Yeates and I attended the Sydney Schools Summit which explored current issues in education including a reflection on how schools coped during COVID19, funding and equity, implementing curriculum reform at state and national level, as well as a keynote from Andy Hargreaves on the how engagement is pivotal to learning and achievement. There was much to appreciate about how Stella is moving forward but as we explore our new Strategic Plan for 2021-2024 it is important to keep an eye on what is topical in education.

Reminder: Parents and Friends AGM

The Parents & Friends AGM is scheduled for 7.30pm Wednesday 24 February in the old school library (G201). At the meeting we will receive reports from the outgoing President and Treasurer. The meeting will then consider the role of the Parents & Friends going forward for 2021. In this meeting we will elect office bearers for 2021 and discuss possible activities for the year ahead. We need at least 4 committee members as a minimum to make the P & F viable. If we are unable to raise enough interest, we will look at the option of the P & F going into hibernation for 12 months. We could then re-assess the support for the P & F in early 2022.

All are welcome to attend.

COVID-19 guidelines

The latest College Covid-19 Protocols were sent to you last week in the Principal's email. One pertinent point to note is the new rules around the presence of Covid-19 symptoms. The new ruling around this is:

Allergies – if students display any symptoms, they still need to be tested. If allergy symptoms are ongoing, a medical certificate is required to confirm. New/changed symptoms will require re-testing. If a student has symptoms and is NOT tested, the student will be unable to return to school for a full 10 days + 3 days symptom free. This is NSW Health advice. Please get tested!

Online Ordering

We have online ordering through My Student Account. Instructions below. You can also deposit funds to your daughter's account via this method.

Please make sure you have your **LUNCH order in by 10am**. This is the only way to order your lunch.

Please only order for the following day (no advance orders) as we can run out of items. The girls will pick up their order at a register – they don't have to line up with everyone else in the undercroft.

The MyStudent Account link is available on Stella Online, our new parent portal. It is not on the SEQTA app. (You would have received an email about this.)

To access MSA:

1. Login to Stella Online (link is available in our website, at the top)
2. Click on **"My Student Account"**
3. Top up the card and do online orders.

2021 Academic Assembly

Our first school assembly for 2021 occurred on Tuesday. Traditionally, we start the assembly program for the year with a celebration of the academic achievements of the HSC class of the previous year. Of course, it was a COVID19-style assembly, live streamed to all Pastoral Care classes from the Theatre.

The Year 12 leaders commanded the stage beautifully and welcomed three special guests back to the Stella community - our highest achievers out of a group who attained fantastic HSC results. Due to COVID19 restrictions, we were only able to invite three of our top achievers this year – Holly Horswill, our Dux, Rebecca Mackenzie and Annabelle Gilbert. There are many more receiving certificates in the mail this week in recognition of their brilliant efforts in the HSC.

Stella is not a selective school, we are an inclusive school, aiming to support each girl to achieve her best. That best might be revealed as a high ATAR or being selected to represent Manly in water polo or creating an amazing portrait, or singing as part of our choir. We are so lucky at Stella to have such a variety of wonderful ways to express our gifts, and opportunities to celebrate them together.

You may have heard or read that Stella was ranked in the top 100 schools in NSW out of the 811 high schools that offer the Higher School Certificate. There are 47 selective schools that take many of those top spots in the first 100 schools. Stella was also the 16th top ranking girls' Catholic school in NSW, ranked 2nd out of every school in NSW for Entertainment and 9th out of every school in NSW for Textiles and Design. The Sydney Morning Herald ranked Stella 23rd in the State for our results in

the combined English courses – Standard, Studies and EALD and 34th in the State for the combined Mathematics Standard courses. For the 2019 HSC we were ranked 3rd in the State for Dance, 9th for Design and Technology and 15th for PDHPE, so the areas of expertise are spread across our curriculum.

The Class of 2020 also had many nominations in Dance, Design and Technology, Visual Arts and Textiles and Design for major works that were considered amongst the best in the State. We need to remember how phenomenal an achievement that is recalling the COVID19 issues and restrictions the girls faced last year, including six weeks of remote learning.

We should be proud of our school and the girls who demonstrated resilience, grit and perseverance in a very challenging year, to achieve great results while remaining positive, purposeful and balanced – true Stella girls.

NAPLAN

During May 2021, students in Years 7 and 9 will sit NAPLAN. The schedule for the tests is as follows:

TUESDAY, 11 MAY

**Language Conventions Test (spelling, grammar and punctuation)
Writing Test**

WEDNESDAY 12 May

Reading Test

THURSDAY 13 May

Numeracy Test

On Friday 14 May – a ‘catch-up’ day is scheduled for students who missed a test or were absent on a test day.

Students may be exempt from the NAPLAN test if they:

- are from a language background other than English, have arrived from overseas and have been attending school in Australia for less than a year before the test; or
- have significant intellectual disability and/or significant co-existing conditions which severely limit their capacity to participate in the tests.

Students may be withdrawn from NAPLAN by their parent or carer after consultation with the Principal.

1. A parent or carer consent form must be signed.
2. Exemption from the tests must be discussed with the Principal.

All other students are expected to participate in the tests.

Disability adjustments which reflect the student’s normal level of support in the classroom may be provided. Alternative format test materials are available to meet the needs of individual students (e.g. braille, large print, black and white test material or the electronic test). Access to disability adjustments can be discussed with the College Inclusive Learning Department via Ms Cath Douglas Cathy_Douglas@stellamaris.nsw.edu.au

For further information about NAPLAN, visit [NESA’s NAPLAN website](#).

2021 Junior Performing Arts Scholarship

We are pleased to announce the opportunity for Year 7 students to apply for a Junior Performing Arts Scholarship

The successful applicant will:

- become an active and committed member of the Performing Arts community at Stella Maris College.
- select Music, Dance or Drama as an elective subject in Year 9.
- be achieving outstanding academic results in their preferred discipline.
- reflect and support the Benedictine values of our College.

The Scholarship covers the tuition fee component of the annual student fees for Years 7, 8 and 9 and is subject to an annual review of commitment and performance. The Scholarship does not cover the cost of resource fees or any other non-tuition fees.

Please complete the application if you are interested in applying for the Junior Performing Arts Scholarship. An email with the link to the application has been sent to all Year 7 students and their families.

Applications close at 3.00pm on Thursday 11 March.

The selection process of a successful applicant is as follows:

- All applications will be considered, and a shortlist created.
- Shortlisted applicants will be invited to an interview and an audition with the Head of Performing Arts and a teacher of the appropriate discipline.
- Those applicants proceeding to the next step, with their parents, will be invited to an interview with the Head of Performing Arts and the Assistant Principal Learning and Teaching
- Recommendations will be considered by the Principal who will award the scholarship.
- Unsuccessful applicants will be informed as their journey in the process comes to an end.

Applicants are to prepare the following for the audition:

Music - an accompanied performance on student's principal instrument.

Dance - a prepared solo in preferred style.

Drama – prepare a short monologue (no longer than 2 minutes).

INCLUSIVE LEARNING

Future Problem Solving Program

Stella Maris College is entering three teams from Year 8 and 9 in the Future Problem Solving Program and competition. This is a research-based, academic program that teaches problem solving strategies, collaboration, critical and creative thinking and effective communication. The Future Problem Solving program helps to develop ethical leadership skills.

The Stella Maris teams will be focusing on Global Issues Problem Solving. This will involve completing in-depth research about topics of global significance and then systematically addressing topic-related complex situations.

We wish the best of luck to the Stella Maris teams.

Cath Douglas
Head of Inclusive Learning

Visual Art News

The Visual Art Department are very excited to announce that three art works from Stella Maris students have been selected to be on display at the new branch of Freshwater Bank as part of a competition they ran last year. Congratulations to these very talented students and thank you to the Freshwater Community Bendigo Bank for supporting young artists on the Northern Beaches.

The selected works are:

1. Grace Chen's digital painting major work from 2020
2. Natalie Huijsen's landscape photograph
3. Jessica Curcio's digitally manipulated photo montage

Rowing

Congratulations to **Pippa Young** and **Catherine Willcox** of Year 9 who competed in the IGSSA Rowing Championships at the International Regatta Centre last Sunday 14 February. The girls competed in the Year 9 single scull. It was a close race, with Pippa finishing with the gold medal, and Catherine just behind in silver. Well done girls on this excellent achievement.

Basketball

Well done to all of the Stella teams who played in the first round of the Manly Warringah Basketball competition this week. All of the teams played very well and enjoyed playing competition games again.

Parents are reminded to check the online draws, as the draws will change in the first few weeks.

Touch Football

Good luck to our Open and U15 touch teams who will be playing at the first BBSSA gala day for 2021 next week. The BBSSA gala day will be held on Tuesday 23 February at Nolan's Reserve. Good luck to all members of the teams:

Under 15 team: Sophie Bishop, Roxy Burkett, Grace French, Evie Fox, Jade Guichon, Gemma Kalms, Annabel Lynch, Andie Milligan, Tara Nesbitt, Ashton Reimer, Lucia Rich and Kaila Tuckfield

Open Team: Bella Burkett, Anastasia Colahan, Lucia Curtin, Abi Gartner, Carys Gibbons-Maurer, Taylor Jones, Mischa Morrell, Olivia Scott, Georgie Sidd, Piper Simons, Grace Shanahan, Emily Smith and Holly Wickham

Water Polo

The Open NSSWPA competition for Years 10 to 12 will commence in March. Students in these Year groups have been sent information. Games will be played on Friday nights at the Warringah Aquatic Centre.

Softball

Good luck to Minty Tetz, Gracie Tetz and Jaylen Hotchkiss who will participate at the NSWCCC softball trials next week.

SMC SWIMMING CARNIVAL Fitness Fling!

DATE: Wednesday 8 March 2021

VENUE: Manly Pool (Andrew Boy Charlton Pool)

DRESS: House colours in the theme of Fitness Fling

The Stella Swimming Carnival is a **compulsory** school day for all students in Years 7 to 12.

TIME: All students should be at school by 8.40am for PC. Students will walk to the pool in PC groups. All students are required to walk back to Stella at the conclusion of the carnival and will be dismissed from school at 3.20pm.

WHAT TO WEAR: All students will need a one-piece swimming costume and House coloured swimming cap. You may purchase these from the Uniform Shop. Students are to wear House colours in the theme of 'Fitness Fling' or full PE uniform. Students must wear sandals to and from the carnival and when not competing (no thongs are to be worn to school). No singlet tops or inappropriate length shorts.

CARNIVAL COVID19 SAFE PROCEDURES

Unfortunately there will be NO SPECTATORS at the carnival. There will be NO CANTEEN for any student at the carnival.

This year we will not be cheering, but we have plenty of other COVID19 safe activities planned so the students can show their House spirit on the day. Students must stay with the Stella group in the outdoor pool area all day.

OTHER IMPORTANT INFORMATION

- Bring a hat and plenty of sunscreen
- No coloured hair spray or coloured streamers allowed at the pool
- Students must remain in colour house areas when they are not competing. The indoor pools and children's pools are out of bounds.
- Normal school rules apply for the day.
- Parents will receive an email to give permission on Consent2Go.

THE EVENTS

There will be two divisions of races: Championship and Non-Championship. To be considered for age champion or the Stella swimming team, you must compete in the Championship event for that stroke.

Entries for the Championship events are open now and will close on 1 March. To enter, students must log onto Moodle and enter the events that they wish to compete in. The age group is the age that you turn this year. The carnival will determine the champion house through participation and performance in both Championship and Non-championship events. You may enter non-championship events on the day.

IT IS EXPECTED THAT ALL STUDENTS WILL PARTICIPATE.

Students who do not want to enter championship events will be able to enter non-championship races on the day. Ribbons will be awarded in both championship and non-championship events. You do not need to preregister for non-championship events.

You can only swim each stroke and distance once. For example you cannot do 50m championship freestyle and 50m non-championship freestyle. However, you may do 50m championship breaststroke and 50 non-championship freestyle.

There is no scheduled lunch break. Students are encouraged to bring their own healthy snacks and lunch for the day. THERE IS NO CANTEEN AVAILABLE FOR THE STUDENTS THIS YEAR.

NO SPECTATORS WILL BE ALLOWED AT THE CARNIVAL THIS YEAR.

WE ENCOURAGE ALL STUDENTS TO PARTICIPATE! IT IS A FUN DAY AND WE LOOK FORWARD TO THE STELLA GIRLS SWIMMING, CHEERING AND BEING INVOLVED IN THIS GREAT EVENT!

How to help your child find their future Career path

Navigating career options can be a challenging process for young people, particularly with so many different pathways leading to a variety of career outcomes.

One of the best things you can do for your teenager is to start the conversation about what they might want to do one day when they are in Years 9 and 10!

Even if your child is planning to go on to Year 12, exploring their career options earlier will help them to focus and prepare for the future. This will also guide them in choosing senior subjects that are relevant to their aspirations.

Make a start by encouraging your child to take the [Skillsroad Career Quiz](#) to assess their personality style and the types of occupations that may suit them. (NOTE: you will have to register first but it is FREE).

Stella Maris Ex-Students Association (SMESA) Mentoring Program

Are you able to help our girls make their way into their first career? Give them some advice or moral support? It doesn't matter where you are located.

The College is looking to form connections between former and current students by way of a mentoring program for career advice and development.

The program is in the early stages of development but generally, mentoring may take any form that suits the needs of the participants.

If you are a former student of the College and would like to know more about being a mentor, please email donna_stimson@stellamaris.nsw.edu.au

Uniform Shop

Open

8am to 4.30pm Tues, Wed, Thurs during term.

During the pandemic Stella Maris is not encouraging parents on site. Your daughter is able to come to the Uniform Shop to make her purchases.

Student Card

Does your daughter has sufficient funds on her Student Card for purchases at the Uniform Shop? Please top up her card the night before as it can take a few hours to load. We also accept debit/credit cards.

Swim caps

All girls are to swim in the swimming carnival on Monday 8 March. They wear colour House swim caps. These are \$3 and can be purchased online or in-store.

Stella Hat

We are now selling the new Stella hat! Optional for all Years at a cost of \$75. Come to us for sizing.

Online Uniform Shop

The College now has an online Uniform Shop allowing parents and students to conveniently purchase items online. Please order under your daughter's name. All items are available for pick up from recess the next trading day from the Uniform Shop on our normal trading days. Therefore if you order an item on Thursday night it will be ready for collection at recess on Tuesday. Please ask your daughter to come in at this time. We have been holding uncollected orders for some time. Please see the link below to access our online store, this link can also be found on the portal and school website.

Winter uniform

Year 10 girls can come from next Tuesday 23 February to buy the senior winter uniform. Their parents were emailed this week with the details.

New students in Year 11 can come from next week. Year 7 and new students in Years 8 and 9 can buy their winter uniform in March. They will be notified when their uniforms are available.

Year 11 girls just need the pink blouse. They can come from next week to purchase.

Face masks

The current advice is that if girls are travelling to school on a bus they must wear a mask. If they forget to bring one, disposable masks are available from the Uniform Shop for a short time for \$1. Policy changes will be updated in the College Newsletter as they arise.
