Prayer

*Dear God,
We celebrate the fruit of kindness.*

Being kind in our thoughts, words, and actions each day, helps us to see those around us in the same way as You do, as loved and treasured people.

God, help our hearts be more like Yours and help activate our hands by your spirit as we work to show You kindness and generosity in all that we do.

Even if our way of doing so may seem insignificant at the time, every act of kindness and every prayer of love leaves a lasting impact on our world, on our future, and on our relationship with You.

Today, let us think about how Jesus calls us to live his message by not only praying for kindness, but by becoming more kind human beings, for this is what You ask of us as members of Your family.

Amen.

Dear Stella Community

Year 12 HSC commences

This week Year 12 commenced their HSC examinations. It was wonderful to welcome the girls into their 'Benedict Bubble' with Ms Yeates and Ms Burke. The Student Services team of Zoe, Michelle and Courtney were there to ensure the girls sanitised and signed into the site.

The girls were grateful for the support and we wish them well over the next few weeks as they complete their examinations. Many have already gained places at university for 2022.

Parents and Friends

Don't forget the P&F's Comedy Night on 19th November in the Star of the Sea Theatre. Make sure you book your tickets for a great night's entertainment and a chance to meet with other Stella parents.

Assembly

This week our Year 12 2022 Leadership Team led their first assembly marking UNESCO's International Day of Non-Violence which is observed on the birthday of Mahatma Gandhi, leader of the Indian independence movement and pioneer of the philosophy and strategy of non-violence. Establishing a culture of peace and sustainable development are at the heart of UNESCO's mandate.

The world has seen much violence in the last decade. Violence continues in the Middle East, North Africa, and Sub-Saharan Africa, with Afghanistan, Iraq, Nigeria, Somalia, and Syria, bearing the heaviest burden. Sometimes it can feel as if there is little that we can do to respond to this.

The #KindnessMatters Campaign aims to mobilize young people to carry out transformative acts of kindness to create a positive culture that abhors violence. The world today is home to 1.8 billion young people - the largest generation of youth in history. What an opportunity is there to show leadership by being kind to one another.

What does kindness look like at Stella?

It happens when girls share only positive thoughts about friends and peers online and refuse to share negative or hurtful messages about others.

It happens when girls encourage others to step up, to be courageous. I witnessed this this term when Year 11 stepped forward into leadership roles. Everyone was fearless and I know all of Year 11 will be great leaders of the Stella community in 2022.

It happens when girls look out for their friends and family, some of whom may be doing it tough. They try to support them, take them for a walk, share a conversation with them or break bread together.

Try to find ways to live more lightly on the earth to be kind to our world. Could you imagine buying less this year or think of Christmas gifts that are sustainable or encourage positivity and wellbeing?

Whatever you imagine kindness can be, it feels like a warm hug for someone else. And we need more hugs.

Elizabeth Carnegie, Principal

Catholic Earthcare

On Wednesday 10 November Stella Maris took part in the 2021 Catholic Earthcare Youth Summit via Zoom. Catholic Earthcare is a program of Caritas Australia that helps to promote understanding that our world is sacred, endangered, and must be protected and preserved for present and future generations. Students and teachers from Catholic schools across Australia connected through Zoom to interact with many special guest speakers regarding the climate crisis and other environmental matters.

For me, the most impactful speaker was Good Samaritan Sister Taebeia Ibouri who told us about the displacement of people in her island home due to global warming and rising sea levels. We learnt that, if we are not the change, we will not have the opportunity to be, as many environmental problems are irreversible.

So what can you do? Well, we were given many ideas for both home and school. We can avoid single use products like plastic wrap and plastic bottles. We can invest in a compost bin or a worm farm for food waste, and reuse or recycle all we can. I really enjoyed the Earthcare Youth Summit and learned a lot. If you want to know more about sustainability and ecological justice, go to www.catholicearthcare.org.au or #catholicearthcare on Instagram.

Meningococcal Vaccination Year 10

Health
Northern Sydney
Local Health District

NSW School vaccination clinic, Year 10 students, Friday 19th November 2021

NSW Health will be offering the following vaccinations at your school clinic to **all Year 10 students**;

Year 10 - Meningococcal ACWY

What parents should do

Year 10 parents/guardians have been sent (via their Year 10 student) a *Parent Information Kit* that includes an information sheet, consent form and privacy statement. To consent to the vaccination of their child, parents/guardians are advised to read all the information provided, complete the consent form, and return it to their child's school.

- o Ensure that students with influenza-like symptoms do not attend school and are tested as soon as possible (www.nsw.gov.au/covid-19/symptoms-and-testing)
- o advise the Public Health Unit NSLHD-SchoolVaccinationProgram@health.nsw.gov.au to withdraw consent for HPV, dTpa or MenACWY vaccination if any of these vaccines have been given at the GP
- o note that there is a minimum dosing interval of 7 days between any routine school vaccinations (HPV, dTpa and Meningococcal ACWY) and any dose of a Covid-19 vaccine

All parents are asked to provide an up to date copy (downloaded no more than 7 days prior to the school clinic) of their child's Australian Immunisation Record (AIR). This can be on their child's phone (if your school allows student phones to be accessed during school hours) or a paper copy the student brings to the vaccination clinic. (If parents prefer, provide the record for vaccines given in 2021 only.) It can be obtained through the myGov website or the Express Plus Medicare Mobile app. Anyone aged 14 years or older has to get their own statement.

<https://www.health.gov.au/health-topics/immunisation/getting-vaccinated/check-immunisation-history>

This is required so the nurses can quickly and easily check that all students are vaccinated safely and appropriately on the day of the school clinic.

Absent students

Year 7 students will be offered any missed doses at subsequent clinics during Year 7 or 8 (for HPV and dTpa vaccination) and do not need to go to their GP for the vaccine.

Absent Year 10 students can also be seen at the next school clinic on 8/12/2021 for vaccination.

Further information about school vaccination is available; <http://www.health.nsw.gov.au/schoolvaccination>

A Record of Vaccination card will be provided to each student. Details about vaccinations given at school will also be uploaded to the Australian Immunisation Register (AIR).

NSW Health is ensuring that students are safely vaccinated at school during Covid-19

Despite concerns around Covid-19 it is important that the school vaccination program continues, to provide timely protection against other diseases. NSW Health has been working with education authorities to implement additional measures to ensure that students in Year 7 and 10 can be safely vaccinated during the Covid-19 pandemic.

Additional measures implemented include; nurses vaccinated against Covid-19, health screening of nurses and students before entering the clinic, appropriate physical distancing, enhanced hand hygiene and cleaning measures.

The next Parish Youth Mass at St Kieran's Church will be on Sunday 14 November at 6pm. All parishioners are welcome, especially families and youth. Students from local colleges and schools together with their families have been invited to attend. This liturgy is tailored specifically for young people with vibrant music, an engaging message and of course Augustinian community. Fr Dave Austin OSA will be the President.

This is an important opportunity for all young people and their families to deepen their spiritual connection and strengthen their relationship with God.

International Farewells

This week we farewelled some of our Year 11 international students as they return home to embark on a new journey in the Foundation Course affiliated with the universities.

Cici and Christal said that "We will miss the Stella community, and the chicken wrap from Salty Rooster." They were very grateful for the opportunity that the College has given them for the last two years. It was definitely something memorable.

We wish them all the best for their future.

A Letter to the College Community From Bishop David Randazzo

Ms Elizabeth Carnegie
Principal
Stella Maris College

Thursday 4 November 2021
Feast of Saint Charles Borromeo

Dear Elizabeth,

As we continue on the roadmap of full return to school, I am writing to thank you for the extraordinary work and support you provided to the students in Broken Bay entrusted in your care, during a time of great challenge and without precedent.

I extend my warmest greetings to all students as they return to school with, I'm sure, a sense of excitement to reconnect with friends that they have not seen for some time. I am especially mindful however, of our year 12 cohorts as they return to school to face exams and their final days of Catholic Education. Their journey has been like nothing ever experienced before.

My prayer is that with the support and guidance of dedicated teachers they are able to navigate this time and take strength from the many wonderful opportunities they have been blessed with throughout their Catholic Education. I have prepared a short video message, and I would be grateful if you could pass this on to your year 12 students as they prepare for their final exams. [Click here](#)

The community of the Church of Broken Bay is called to be Christ-centred and people oriented, emphasising unity and collaboration between parishes, communities of faith, schools, and social services.

One of my six pastoral priorities at the centre of mission for our Diocese is Authentic Catholic education for the flourishing of human and faith development. (*Evangelii nuntiandi*, n. 22). To you and your staff, I express my sincere gratitude for your collaboration and partnership as we go about our work to achieve this Mission priority.

Finally, I take this opportunity to extend my prayers to all in your School community; staff, students, and families. It is my hope that the remainder of this year is without further disruption so you can continue to fulfil the mission of the community of the Church of Broken Bay and deliver authentic Catholic education where students encounter Jesus as they learn.

Be assured of my continued support and prayers.

Sincerely yours in Christ,

Most Rev Anthony Randazzo DD, JCL
Bishop of Broken Bay

Perspectives

Your school in focus

Our school is using the Perspectives: Your school in focus suite of surveys developed by AISNSW to support our school improvement endeavours. The information gathered will assist in furthering the growth and development of our school community. We will use the survey results to help inform and direct future school planning and improvement strategies.

These surveys are specifically designed to assist schools in gaining an understanding of stakeholders' perceptions of five important areas: School Environment, Teaching and Learning, Student Wellbeing, Leadership and Community. All staff, students, parents/guardians, leaders and Board members are invited to participate.

The surveys will be available from 1 November to 14 November and are conducted online, taking approximately 15 to 20 minutes to complete.

Your input and contribution are important to the success of our continuous school improvement process as we aspire to improve the learning experience for everyone at our school.
